

SNCF MOBILITÉS
(formerly Société Nationale des Chemins de Fer Français)
€12,000,000,000
Euro Medium Term Note Programme
Due from one day from the date of original issue

Under the Euro Medium Term Note Programme (the **Programme**) described in this Base Prospectus (the **Base Prospectus**), SNCF Mobilités (formerly Société Nationale des Chemins de Fer Français) (the **Issuer**), subject to compliance with all relevant laws, regulations and directives, may from time to time issue outside the Republic of France Euro Medium Term Notes (the **Notes**). The aggregate nominal amount of Notes outstanding will not at any time exceed €12,000,000,000 (or its equivalent in other currencies) subject to increase as described herein.

Any Notes issued under the Programme on or after the date of this Base Prospectus are issued subject to the provisions described herein.

Notes will be issued in one or more series (each a **Series**). Each Series shall be in bearer form and may be issued in one or more tranches (each a **Tranche**) on different issue dates and on terms otherwise identical (except in relation to the interest commencement dates and matters related thereto). The Notes may be issued on a continuing basis to one or more of the Dealers specified under "Summary of the Programme" and any additional Dealer appointed under the Programme from time to time by the Issuer (each a **Dealer** and together the **Dealers**), which appointment may be for a specific issue or on an ongoing basis. References in this Base Prospectus to the "relevant Dealer" shall be, in the case of an issue of Notes being (or intended to be) subscribed by more than one Dealer, to all Dealers agreeing to subscribe such Notes.

An investment in Notes issued under the Programme involves certain risks. For a discussion of these risks see "Risk Factors".

Application has been made for approval of this Base Prospectus to the *Autorité des marchés financiers* (the **AMF**) in France in its capacity as competent authority pursuant to Article 212-2 of its *Règlement Général* which implements the Directive 2003/71/EC of 4 November 2003 (as amended, including by Directive 2010/73/EC) and includes any relevant implementing measure in the Relevant Member State of the European Economic Area (the **Prospectus Directive**) on the prospectus to be published when securities are offered to the public or admitted to trading.

Application may be made (i) to Euronext Paris S.A. for Notes issued under the Programme during a period of 12 months after the date of this Base Prospectus to be listed and admitted to trading on Euronext Paris S.A. and/or (ii) to the listing authority of any other member state of the European Economic Area (**EEA**) for Notes issued under the Programme to be admitted to trading on a Regulated Market (as defined below) in such member state. Euronext Paris S.A. is a regulated market (a **Regulated Market**) for the purposes of the Markets in Financial Instruments Directive 2004/39/EC of 21 April 2004 (**MiFID**). The requirement to publish a prospectus under the Prospectus Directive only applies to Notes which are to be admitted to trading on a regulated market in the European Economic Area and/or offered to the public in the European Economic Area other than in circumstances where an exemption is available under Article 3.2 of the Prospectus Directive (as implemented in the relevant Member State(s)). References in this Base Prospectus to Exempt Notes are to Notes for which no prospectus is required to be published under the Prospectus Directive.

Notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and certain other information which is applicable to each Tranche (as defined under "Terms and Conditions of the Notes") of Notes to be admitted to trading on any Regulated Market and/or offered to the public will (other than in the case of Exempt Notes, as defined above) be set out in a final terms document (the **Final Terms**) which will be filed with the AMF. However, unlisted Notes may be issued pursuant to the Programme. The applicable Final Terms in respect of the issue of any Notes will specify whether or not such Notes will be listed and, if so, the relevant stock exchange(s). In the case of Exempt Notes, notice of the aggregate nominal amount of Notes, interest (if any) payable in respect of Notes, the issue price of Notes and certain other information which is applicable to each Tranche will be set out in a pricing supplement document (the **Pricing Supplement**).

Notes will be in such denomination(s) as may be specified in the relevant Final Terms or such amount as may be allowed or required from time to time by the relevant central bank (or equivalent body) or any laws or regulations applicable to the relevant specified currency.

Notes of each Tranche of each Series of Notes will initially be represented by a temporary global note in bearer form (each a **Temporary Global Note**) or a permanent global note in bearer form (each a **Permanent Global Note** and, collectively with any Temporary Global Note, the **Global Notes**), each without interest coupons. Global Notes may be deposited (a) in the case of a Tranche intended to be cleared through Euroclear Bank S.A./N.V., (**Euroclear**) and/or Clearstream Banking, *société anonyme* (**Clearstream, Luxembourg**), on the issue date of the relevant Tranche of each Series with a common depository or, as the case may be, common safekeeper on behalf of Euroclear and Clearstream, Luxembourg, (b) in the case of a Tranche intended to be cleared through Euroclear France and the *Intermédiaires financiers habilités*, authorised to maintain accounts therein (together, **Euroclear France**), on the issue date with Euroclear France, acting as central depository, and (c) in the case of a Tranche intended to be cleared through a clearing system other than or in addition to Euroclear, Clearstream, Luxembourg or Euroclear France or delivered outside a clearing system, as agreed between the Issuer and the relevant Dealer. The provisions governing the exchange of interests in Global Notes for other Global Notes and definitive Notes are described in "Form of Notes".

The Issuer's long term debt has been rated AA with negative outlook by Standard & Poor's (**S&P**), Aa2 with negative outlook by Moody's Investors Service Limited (**Moody's**) and AA with stable outlook by Fitch Ratings Ltd (**Fitch**) and its short term debt has been rated A-1+ by S&P, P-1 with negative outlook by Moody's and F1+ by Fitch. S&P, Moody's and Fitch are each a rating agency established in the European Union and registered under Regulation (EU) No 1060/2009, as amended (the **CRA Regulation**). As such each of S&P, Moody's and Fitch is included in the list of credit rating agencies published by the European Securities and Markets Authority on its website (at <http://www.esma.europa.eu/page/List-registered-and-certified-CRAs>) in accordance with the CRA Regulation. Notes issued under the Programme may be rated or unrated by any one or more of the rating agencies referred to above. Where a Tranche of Notes is rated, such rating will be disclosed in the Final Terms (or Pricing Supplement, in the case of Exempt Notes) and will not necessarily be the same as the rating assigned to the Issuer's long term debt and short term debt by the relevant rating agency. A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change, or withdrawal at any time by the assigning rating agency. **Prospective investors should have regard to the factors described under the section entitled "Risk Factors" in this Base Prospectus.**

This Base Prospectus and the documents incorporated by reference in this Base Prospectus will be available on the website of the Issuer (www.sncf.com/fr/rubrique/finance) and this Base Prospectus will be available on the website of the AMF (www.amf-france.org).

Prospectus Directive means Directive 2003/71/EC (as amended including by Directive 2010/73/EU) and includes any relevant implementing measure in a relevant Member State of the European Economic Area.

This Base Prospectus is to be read in conjunction with any supplement hereto and all documents which are deemed to be incorporated herein by reference (see "*Documents Incorporated by Reference*"). This Base Prospectus shall be read and construed on the basis that such documents are incorporated and form part of this Base Prospectus.

No person is or has been authorised by the Issuer to give any information or to make any representation not contained in or not consistent with this Base Prospectus or any other information supplied in connection with the Programme or the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or any of the Dealers or the Arranger (as defined in "*Summary of the Programme*"). Neither the delivery of this Base Prospectus nor the offering, sale or delivery of any Notes shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer or the Group since the date hereof or the date upon which this Base Prospectus has been most recently amended or supplemented or that there has been no adverse change in the financial position of the Issuer or the Group since the date hereof or the date upon which this Base Prospectus has been most recently amended or supplemented or that any other information supplied in connection with the Programme is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same. The distribution of this Base Prospectus and the offering or sale of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Base Prospectus comes are required by the Issuer, the Dealers and the Arranger to inform themselves about and to observe any such restrictions.

The Notes have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the Securities Act), and include Notes in bearer form that are subject to U.S. tax law requirements. Subject to certain exceptions, the Notes may not be offered, sold or delivered within the United States or to, or for the account or benefit of U.S. persons, as defined in Regulation S. For a description of certain restrictions on offers and sales of Notes and on distribution of this Base Prospectus, see "*Subscription and Sale*".

Neither this Base Prospectus nor any other information supplied in connection with the Programme or the issue of the Notes constitutes an offer of, or an invitation by or on behalf of the Issuer or the Dealers to subscribe for, or purchase, any Notes.

Neither the Dealers nor the Arranger have independently verified the information contained in this Base Prospectus. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility or liability is accepted by the Arranger or the Dealers as to the accuracy or completeness of the information contained or incorporated in this Base Prospectus or any other information provided by the Issuer in connection with the Programme. Neither the Arranger nor any Dealer accepts any liability in relation to the information contained or incorporated by reference in this Base Prospectus or any other information provided by the Issuer in connection with the Programme. Neither this Base Prospectus nor any document incorporated by reference nor any other financial statements nor any other information supplied in connection with the Programme or any Notes (a) are intended to provide the basis of any credit or other evaluation and (b) should be considered as a recommendation by any of the Issuer, the Arranger or the Dealers that any recipient of this Base Prospectus or any other financial statements or any document incorporated by reference or any other information supplied in connection with the Programme or any Notes should purchase any Notes. Each investor contemplating purchasing any Notes should make its own independent

investigation of the financial conditions and affairs, and its own appraisal of the creditworthiness, of the Issuer. None of the Dealers or the Arranger undertakes to review the financial condition or affairs of the Issuer during the life of the arrangements contemplated by this Base Prospectus nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Dealers or the Arranger.

**IMPORTANT INFORMATION RELATING TO NON-EXEMPT OFFERS OF NOTES WHERE
THERE IS NO EXEMPTION FROM THE OBLIGATION UNDER THE PROSPECTUS
DIRECTIVE TO PUBLISH A PROSPECTUS**

Restrictions on Non-exempt Offers of Notes in Relevant Member States where there is no exemption from the obligation under the prospectus directive to publish a prospectus

Certain Tranches of Notes with a denomination of less than €100,000 (or its equivalent in any other currency) may be offered in circumstances where there is no exemption from the obligation under the Prospectus Directive to publish a prospectus. Any such offer is referred to as a **Non-exempt Offer**. This Base Prospectus has been prepared on a basis that permits Non-exempt Offers of Notes. However, any person making or intending to make a Non-exempt Offer of Notes in any Member State of the European Economic Area which has implemented the Prospectus Directive (each, a **Relevant Member State**) may only do so if this Base Prospectus has been approved by the competent authority in that Relevant Member State (or, where appropriate, approved in another Relevant Member State and notified to the competent authority in that Relevant Member State) and published in accordance with the Prospectus Directive, provided that the Issuer has consented to the use of this Base Prospectus in connection with such offer as provided under "*Consent given in accordance with Article 3.2 of the Prospectus Directive (Retail Cascades)*" and the conditions attached to that consent are complied with by the person making the Non-exempt Offer of such Notes.

Save as provided above, neither the Issuer nor any Dealer has authorised, nor does it authorise, the making of any Non-exempt Offer of Notes in circumstances in which an obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

Consent given in accordance with Article 3.2 of the Prospectus Directive (Retail Cascades)

In the context of a Non-exempt Offer of such Notes, the Issuer accepts responsibility, in the jurisdictions to which the consent to use the Base Prospectus extends, for the content of this Base Prospectus under Article 6 of the Prospectus Directive in relation to any person (an **Investor**) who acquires any Notes in a Non-exempt Offer made by any person to whom the Issuer has given consent to the use of this Base Prospectus (an **Authorised Offeror**) in that connection, provided that the conditions attached to that consent are complied with by the Authorised Offeror. The consent and conditions attached to it are set out under "*Consent*" and "*Common Conditions to Consent*" below.

None of the Issuer or any Dealer makes any representation as to the compliance by an Authorised Offeror with any applicable conduct of business rules or other applicable regulatory or securities law requirements in relation to any Non-exempt Offer and none of the Issuer or any Dealer has any responsibility or liability for the actions of that Authorised Offeror.

Save as provided below, neither the Issuer nor any Dealer has authorised the making of any Non-exempt Offer by any offeror and the Issuer has not consented to the use of this Base Prospectus by any other person in connection with any Non-exempt Offer of Notes. Any Public Offer made without the consent of the Issuer is unauthorised and neither the Issuer nor any Dealer accepts any responsibility or liability in relation to such offer or for the actions of the persons making any such unauthorised offer.

Consent

In connection with each Tranche of Notes and subject to the conditions set out below under "*Common Conditions to Consent*":

- (a) the Issuer consents to the use of this Base Prospectus (as supplemented as at the relevant time, if applicable) in connection with a Non-exempt Offer of such Notes by the relevant Dealer and by:
 - (i) any financial intermediary named as an Initial Authorised Offeror in the applicable Final Terms; and
 - (ii) any financial intermediary appointed after the date of the applicable Final Terms and whose name is published on the Issuer's website (www.sncf.com/fr/rubrique/finance) and identified as an Authorised Offeror in respect of the relevant Non-exempt Offer;
- (b) if (and only if) Part B of the applicable Final Terms specifies "General Consent" as "Applicable", the Issuer hereby offers to grant its consent to the use of this Base Prospectus (as supplemented as at the relevant time, if applicable) in connection with a Non-exempt Offer of Notes by any financial intermediary which satisfies the following conditions:
 - (i) it is authorised to make such offers under applicable legislation implementing the Markets in Financial Instruments Directive (Directive 2004/39/EC); and
 - (ii) it accepts such offer by publishing on its website the following statement (with the information in square brackets completed with the relevant information):

*"We, [insert legal name of financial intermediary], refer to the offer of [insert title of relevant Notes] (the **Notes**) described in the Final Terms dated [insert date] (the **Final Terms**) published by SNCF Mobilités (the **Issuer**). We hereby accept the offer by the Issuer of its consent to our use of the Base Prospectus (as defined in the Final Terms) in connection with the offer of the Notes in accordance with the Authorised Offeror Terms and subject to the conditions to such consent, each as specified in the Base Prospectus, and confirm that we are using the Base Prospectus accordingly."*

The **Authorised Offeror Terms** are that the relevant financial intermediary:

- (A) will, and it agrees, represents, warrants and undertakes for the benefit of the Issuer and the relevant Dealer that it will, at all times in connection with the relevant Non-exempt Offer:
 - I. act in accordance with, and be solely responsible for complying with, all applicable laws, rules, regulations and guidance of any applicable regulatory bodies (the **Rules**) from time to time including, without limitation and in each case, Rules relating to both the appropriateness or suitability of any investment in the Notes by any person and disclosure to any potential Investor, and will immediately inform the Issuer and the relevant Dealer if at any time such financial intermediary becomes aware or suspects that it is or may be in violation of any Rules and take all appropriate steps to remedy such violation and comply with such Rules in all respects;

- II. comply with the restrictions set out under "*Subscription and Sale*" in this Base Prospectus which would apply as if it were a Dealer;
- III. ensure that any fee (and any other commissions or benefits of any kind) or rebate received or paid by that financial intermediary in relation to the offer or sale of the Notes does not violate the Rules and, to the extent required by the Rules, is fully and clearly disclosed to Investors or potential Investors;
- IV. hold all licences, consents, approvals and permissions required in connection with solicitation of interest in, or offers or sales of, the Notes under the Rules, including authorisation under the Financial Services and Markets Act 2000;
- V. comply with applicable anti-money laundering, anti-bribery, anti-corruption and "know your client" Rules (including, without limitation, taking appropriate steps, in compliance with such Rules, to establish and document the identity of each potential Investor prior to initial investment in any Notes by the Investor), and will not permit any application for Notes in circumstances where the financial intermediary has any suspicions as to the source of the application monies;
- VI. retain Investor identification records for at least the minimum period required under applicable Rules, and shall, if so requested, make such records available to the relevant Dealer, the Issuer or directly to the appropriate authorities with jurisdiction over the Issuer and/or the relevant Dealer in order to enable the Issuer and/or the relevant Dealer to comply with anti-money laundering, anti-bribery, anti-corruption and "know your client" Rules applying to the Issuer and/or the relevant Dealer;
- VII. ensure that no holder of Notes or potential Investor in Notes shall become an indirect or direct client of the Issuer or the relevant Dealer for the purposes of any applicable Rules from time to time, and to the extent that any client obligations are created by the relevant financial intermediary under any applicable Rules, then such financial intermediary shall perform any such obligations so arising;
- VIII. co-operate with the Issuer and the relevant Dealer in providing such information (including, without limitation, documents and records maintained pursuant to paragraph VI above) upon written request from the Issuer or the relevant Dealer as is available to such financial intermediary or which is within its power and control from time to time, together with such further assistance as is reasonably requested by the Issuer or the relevant Dealer:
 - (i) in connection with any request or investigation by any regulator in relation to the Notes, the Issuer or the relevant Dealer; and/or
 - (ii) in connection with any complaints received by the Issuer and/or the relevant Dealer relating to the Issuer and/or the relevant Dealer or another Authorised Offeror including, without limitation, complaints as defined in rules published by any regulator of competent jurisdiction from time to time; and/or
 - (iii) which the Issuer or the relevant Dealer may reasonably require from time to time in relation to the Notes and/or as to allow the Issuer or

the relevant Dealer fully to comply with its own legal, tax and regulatory requirements,

in each case, as soon as is reasonably practicable and, in any event, within any time frame set by any such regulator or regulatory process;

- IX. during the primary distribution period of the Notes:
- (i) only sell the Notes at the Issue Price specified in the applicable Final Terms (unless otherwise agreed with the relevant Dealer);
 - (ii) only sell the Notes for settlement on the Issue Date specified in the relevant Final Terms;
 - (iii) not appoint any sub-distributors (unless otherwise agreed with the relevant Dealer and the Issuer);
 - (iv) not pay any fee or remuneration or commissions or benefits to any third parties in relation to the offering or sale of the Notes (unless otherwise agreed with the relevant Dealer); and
 - (v) comply with such other rules of conduct as may be reasonably required and specified by the relevant Dealer;
- X. either: (i) obtain from each potential Investor an executed application for the Notes, or (ii) keep a record of all requests such financial intermediary (x) makes for its discretionary management clients, (y) receives from its advisory clients and (z) receives from its execution-only clients, in each case prior to making any order for the Notes on their behalf, and in each case maintain the same on its files for so long as is required by any applicable Rules;
- XI. ensure that it does not, directly or indirectly, cause the Issuer or the relevant Dealer to breach any Rule or subject the Issuer or the relevant Dealer to any requirement to obtain or make any filing, authorisation or consent in any jurisdiction;
- XII. comply with the conditions to the consent referred to under "Common conditions to consent" below and any further requirements relevant to the Non-exempt Offer as specified in the applicable Final Terms;
- XIII. make available to each potential Investor in the Notes the Base Prospectus (as supplemented as at the relevant time, if applicable), the applicable Final Terms and any applicable information booklet provided by the Issuer for such purpose, and not convey or publish any information that is not contained in or entirely consistent with the Base Prospectus; and
- XIV. if it conveys or publishes any communication (other than the Base Prospectus or any other materials provided to such financial intermediary by or on behalf of the Issuer for the purposes of the relevant Non-exempt Offer) in connection with the relevant Non-exempt Offer, it will ensure that such communication (A) is fair, clear and not misleading and complies with the Rules, (B) states that such financial intermediary has provided such communication independently of the Issuer, that such financial intermediary is solely responsible for such communication and that none of the Issuer and the relevant Dealer accepts any responsibility for such communication and

(C) does not, without the prior written consent of the Issuer, or the relevant Dealer (as applicable), use the legal or publicity names of the Issuer or the relevant Dealer or any other name, brand or logo registered by an entity within their respective groups or any material over which any such entity retains a proprietary interest, except to describe the Issuer as issuer of the relevant Notes on the basis set out in the Base Prospectus;

(B) agrees and undertakes to indemnify each of the Issuer and the relevant Dealer (in each case on behalf of such entity and its respective directors, officers, employees, agents, affiliates and controlling persons) against any losses, liabilities, costs, claims, charges, expenses, actions or demands (including reasonable costs of investigation and any defence raised thereto and counsel's fees and disbursements associated with any such investigation or defence) which any of them may incur or which may be made against any of them arising out of or in relation to, or in connection with, any breach of any of the foregoing agreements, representations, warranties or undertakings by such financial intermediary, including (without limitation) any unauthorised action by such financial intermediary or failure by such financial intermediary to observe any of the above restrictions or requirements or the making by such financial intermediary of any unauthorised representation or the giving or use by it of any information which has not been authorised for such purposes by the Issuer or the relevant Dealer; and

(C) agrees and accepts that:

- I. the contract between the Issuer and the financial intermediary formed upon acceptance by the financial intermediary of the Issuer's offer to use the Prospectus with its consent in connection with the relevant Exempt Offer (the **Authorised Offeror Contract**), and any non-contractual obligations arising out of or in connection with the Authorised Offeror Contract, shall be governed by, and construed in accordance with, English law;
- II. subject to IV below, the English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with the Authorised Offeror Contract (including any dispute relating to any non-contractual obligations arising out of or in connection with the Authorised Offeror Contract) (a **Dispute**) and the Issuer and the financial intermediary submit to the exclusive jurisdiction of the English courts;
- III. for the purposes of (C)II and IV, the Issuer and the financial intermediary waive any objection to the English courts on the grounds that they are an inconvenient or inappropriate forum to settle any dispute;
- IV. this paragraph IV is for the benefit of the Issuer and each relevant Dealer. To the extent allowed by law, the Issuer and each relevant Dealer may, in respect of any Dispute or Disputes, take (i) proceedings in any other court with jurisdiction; and (ii) concurrent proceedings in any number of jurisdictions; and
- V. each relevant Dealer will, pursuant to the Contracts (Rights of Third Parties) Act 1999, be entitled to enforce those provisions of the Authorised Offeror Contract which are, or are expressed to be, for their benefit, including the agreements, representations, warranties, undertakings and indemnity given by the financial intermediary pursuant to the Authorised Offeror Terms.

Any Offeror falling within (b) above who meets all of the conditions set out in (b) and the other conditions stated in "*Common Conditions to Consent*" below and who wishes

to use this Base Prospectus in connection with a Non-exempt Offer is required, for the duration of the relevant Offer Period, to publish on its website the statement (duly completed) specified at paragraph (b)(ii) above.

Common Conditions to Consent

The conditions to the Issuer's consent are (in addition to the conditions described in paragraph (b) above if Part B of the applicable Final Terms specifies "*General Consent*" as "*Applicable*") that such consent:

- (a) is only valid during the Offer Period specified in the applicable Final Terms;
- (b) only extends to the use of this Base Prospectus to make Non-exempt Offers of the relevant Tranche of Notes in France, as specified in the applicable Final Terms; and
- (c) the consent is subject to any other conditions set out in Part B of the applicable Final Terms.

The only Relevant Member States which may, in respect of any Tranche of Notes, be specified in the applicable Final Terms (if any Relevant Member States are so specified) as indicated in (b) above, will be France, and accordingly each Tranche of Notes may only be offered to Investors as part of a Non-exempt Offer in France, as specified in the applicable Final Terms, or otherwise in circumstances in which no obligation arises for the Issuer or any Dealer to publish or supplement a prospectus for such offer.

ARRANGEMENTS BETWEEN INVESTORS AND AUTHORISED OFFERORS

AN INVESTOR INTENDING TO ACQUIRE OR ACQUIRING ANY NOTES IN A NON-EXEMPT OFFER FROM AN AUTHORISED OFFEROR WILL DO SO, AND OFFERS AND SALES OF SUCH NOTES TO AN INVESTOR BY SUCH AUTHORISED OFFEROR WILL BE MADE, IN ACCORDANCE WITH ANY TERMS AND OTHER ARRANGEMENTS IN PLACE BETWEEN SUCH AUTHORISED OFFEROR AND SUCH INVESTOR INCLUDING AS TO PRICE, ALLOCATIONS AND SETTLEMENT ARRANGEMENTS. THE ISSUER WILL NOT BE A PARTY TO ANY SUCH ARRANGEMENTS WITH SUCH INVESTORS IN CONNECTION WITH THE NON-EXEMPT OFFER OR SALE OF THE NOTES CONCERNED AND, ACCORDINGLY, THIS BASE PROSPECTUS AND ANY FINAL TERMS WILL NOT CONTAIN SUCH INFORMATION. THE INVESTOR MUST LOOK TO THE AUTHORISED OFFEROR AT THE TIME OF SUCH OFFER FOR THE PROVISION OF SUCH INFORMATION AND THE AUTHORISED OFFEROR WILL BE RESPONSIBLE FOR SUCH INFORMATION. NONE OF THE ISSUER OR ANY DEALER (EXCEPT WHERE SUCH DEALER IS THE RELEVANT AUTHORISED OFFEROR) HAS ANY RESPONSIBILITY OR LIABILITY TO AN INVESTOR IN RESPECT OF SUCH INFORMATION.]

IMPORTANT INFORMATION RELATING TO THE USE OF THIS BASE PROSPECTUS AND OFFER OF NOTES GENERALLY

This Base Prospectus does not constitute an offer to sell or the solicitation of an offer to buy any Notes in any jurisdiction to any person to whom it is unlawful to make the offer or solicitation in such jurisdiction. The distribution of this Base Prospectus and the offer or sale of Notes may be restricted by law in certain jurisdictions. The Issuer and the Dealers do not represent that this Base Prospectus may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such distribution or offering. In particular, unless specifically indicated to the contrary in the applicable Final Terms, no action has been taken by the Issuer or the Dealers which is intended to permit a non-exempt offering of any Notes or distribution of this Base Prospectus in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither this Base Prospectus nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession this Base Prospectus or any Notes may come must inform themselves about, and observe, any such restrictions on the distribution of this Base Prospectus and the offering and sale of Notes. In particular, there are restrictions on the distribution of this Base Prospectus and the offer or sale of Notes in the United States, the European Economic Area (including the United Kingdom, France, Germany and the Netherlands) and Japan. For further information, see "*Subscription and Sale*".

The Notes may not be a suitable investment for all investors. Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor may wish to consider, either on its own or with the help of its financial and other professional advisers, whether it:

- (a) has sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Base Prospectus or any applicable supplement;
- (b) has access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes will have on its overall investment portfolio;
- (c) has sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor's currency;
- (d) understands thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- (e) is able to evaluate possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Legal investment considerations may restrict certain investments. The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

The Notes have not been and will not be registered under the Securities Act and are subject to U.S. tax law requirements. Subject to certain exceptions, the Notes may not be offered, sold or delivered within the United States or to, or for the account or benefit of, U.S. persons, as defined in Regulation S (see "*Subscription and Sale*").

SUMMARY OF THE PROGRAMME

This summary is included pursuant to Commission Delegated Regulation (EU) No. 486/2012 and Commission Delegated Regulation (EU) No. 862/2012 of 4th of June 2012, and constitutes the summary for the Programme and the summary for each issue of Notes which will be annexed to the applicable Final Terms. This summary should be read as an introduction to the Base Prospectus and the applicable Final Terms. However, it should be noted that the issue specific summary is only applicable in the case of non-exempt offers.

Summaries are made up of disclosure requirements known as "Elements". These Elements are numbered in Sections A – E (A.1 – E.7). This Summary contains all the Elements required to be included in a summary for the Notes and the Issuer. Because some Elements are not required to be addressed, there may be gaps in the numbering sequence of the Elements. Even though an Element may be required to be inserted in a summary because of the type of securities and issuer, it is possible that no relevant information can be given

regarding the Element. In this case a short description of the Element should be included in the summary explaining why it is not applicable.

The recoverable amount of these production resources was the subject of a qualification in Statutory Auditors' reports on the consolidated financial statements for previous years."</i></p> <p>The statutory auditors' report on the consolidated financial statements for the year ended 31 December 2014 contains the following qualification: <i>"As stated in Note 32 "Subsequent events" to the consolidated financial statements, the French Rail Regulatory Authority (Autorité de Régulation des Activités Ferroviaires – ARAF) handed down its decision on 3 February 2015 with respect to a dispute between the Syndicat des Transports de l'Ile de France and the Gares & Connexions division of SNCF Mobilités. The Issuer has identified a number of factors which could materially adversely affect its business and ability to make payments due under the Notes. RISK FACTORS

In purchasing Notes, investors assume the risk that the Issuer may become insolvent or otherwise be unable to make all payments due in respect of the Notes. There is a wide range of factors which individually or together could result in the Issuer becoming unable to make all payments due in respect of the Notes. It is not possible to identify all such factors or to determine which factors are most likely to occur, as the Issuer may not be aware of all relevant factors and certain factors which it currently deems not to be material may become material as a result of the occurrence of events outside the Issuer's control. The Issuer has identified in this Base Prospectus a number of factors which could materially adversely affect its business and ability to make payments due under the Notes.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

Prospective investors should also read the detailed information set out elsewhere in this Base Prospectus and reach their own views prior to making any investment decision.

FACTORS THAT MAY AFFECT THE ISSUER'S ABILITY TO FULFIL ITS OBLIGATIONS UNDER NOTES ISSUED UNDER THE PROGRAMME

1. Legal, operational and economic risks

The Issuer is a French public entity of an industrial and commercial character (*établissement public à caractère industriel et commercial*) with autonomous management created under Law n°. 82-1153 dated 30 December 1982 modified by Law n°. 97-135 dated 13 February 1997 relating to the création of Réseau Ferré de France (*loi portant création de Réseau Ferré de France*), law n°. 2009-1503 dated 8 December 2009 relating to the organisation and regulation on railways transport (*loi relative à l'organisation et à la régulation des transports ferroviaires*) and Law n°. 2010-788 dated 12 July 2010 relating to national commitment to the environment (*loi portant engagement national pour l'environnement*) and codified in the *Code des transports* by Article 7 of Ordinance n°2010-1307 relating to the legislative part of the *Code des transports*. Pursuant to Article L.2141-10 of the *Code des transports* (formerly Article 25 of Law N°82-1153), the Issuer is subject to the financial management and accounting rules applicable to commercial companies. The Issuer keeps its accounting books and records in accordance with prevailing legislation and regulations in France.

Its articles of association were incorporated by decree n°. 83-109 dated 18 February 1983.

Its management is organised by Decree n°83-109 dated 18 February 1983 and Decree n°. 83-38 dated 24 January 1983 that provide for the method of designation of the members of the Board of Directors of the Issuer, as representatives of the employees or as representatives of the French State. The Issuer is administered by a Board of Directors (*Conseil d'administration*) consisting of 18 members. Seven of these are representatives of the State and appointed by the Government, five (including two representing users) are appointed by the Government for their relevant expertise and six (of whom one represents senior management) are appointed by the employees of the Issuer. All the Directors are appointed for five years. The Chairman of the Board of Directors, selected from among the Directors and on their recommendation, is appointed for a term of five years by Decree of the Council of Ministers. He is the chief executive officer of the Issuer.

A third decree (N°. 83-110 dated 18 February 1983) deals with the economic and financial control carried out *a priori* by the French State on the Issuer.

Such control is carried out by the railway's economic and financial control Commission, a permanent body at the Issuer's head office. The members formulate written advice on all questions submitted to the Board of Directors and on any question or decision-making project impacting the Issuer's financial stability.

Moreover, as a public services company, the Issuer is subject to the supervision of the *Cour des Comptes* (French national audit office) *a posteriori*.

An Operating Agreement entered into between the Republic of France and the Issuer, was approved by Decree N°. 83-817 dated 13 September 1983 as modified by Decree N°.99-11 dated 7 January 1999, Decree N°. 2003-194 dated 7 March 2003, Decree N°. 2007-1051 dated 28 June 2007, Decree N°2011-914 dated 29 July 2011 and Decree N°2012-1247 dated 7 November 2012.

The Operating Agreement sets out the financial support offered to the Issuer by the French State and sets out the conditions and general principles under which the Issuer shall provide its services to the public and the basis of the contractual relationship of the Issuer with both the French State and Local Authorities.

Change in legislation, government regulation or policy may have a material impact on the Issuer.

The Issuer is exposed to other legislative, regulatory or political developments producing social instability or legal uncertainty which could affect the demands for the Issuer's products and services and have an adverse effect on the Issuer.

The status of State-owned industrial and commercial company (*établissement public à caractère industriel et commercial – EPIC*) has been examined in the past by the European commission in respect of State aids and could be examined in the future for the EPIC SNCF Mobilités.

Since 31 March 2006, the French domestic rail freight market has been completely open to competition. From 13 December 2009 in France, international passenger traffic with "*cabotage*" (i.e. ability to pick up and drop passengers on domestic portions of the international railway line) is available, provided that international rail services remain the main purpose of the railway line. Criteria to assess the main objectives of international railway lines are being set up by the French transport administration and will be overseen by the new French rail regulator.

Regarding regional public services, the OSP European regulation came into force on 3 December 2009. The French Government has set up a stakeholders' Commission to assess the possibilities of a trial programme opening up regional transport, to be subsidised by French regions.

According to the French Ministry of Transport's opinion, as it has recently been expressed by several ministerial responses, the liberalization of regional public transport service requires that prior amendments be made to former Article 21-4 of law N° 82-1153, now codified in Article L.2121-4 of the *Code des transports*.

The opening of a purely domestic passenger traffic railway line will be addressed under a new "Railway Package", the final vote of which is expected to happen by the end of the first semester of 2015 after the renewal of the European Commission.

2. Financial risks

The management of market risks is governed by a general framework, approved by the Issuer's Board of Directors, setting out the management principles for parent company risks that may be hedged by financial instruments.

This general framework defines the principles governing the selection of financial products, counterparties and underlyings for derivative products.

More specifically, the general framework defines risk limits for the management of euro and foreign currency cash balances and long term net indebtedness. In addition, it details the delegation and

decision-making system and the reporting and control system and its frequency (daily, twice-monthly, monthly and annually).

Interest rate risk management

The cost of long-term net indebtedness is optimised, with regard to interest rates, by managing the mix of fixed and floating rate borrowings. The Issuer uses firm and optional interest rate swap instrument within the limits defined, for the parent company, by the aforementioned general framework.

Foreign currency risk management

The commercial activities of the Issuer do not expose it to material foreign currency risk.

Except for subsidiaries operating in their own country, the Issuer indebtedness denominated in currencies other than euro is managed in line with the acceptable risk limit defined, for the parent company, in the same general framework. The Issuer uses currency swaps for this purpose, generally set-up when the borrowing is issued.

Given the small percentage of unhedged foreign currency-denominated borrowings, net profit or loss is not, in the Issuer's opinion, sensitive to foreign currency risk.

Commodity risk management

The Issuer's production requirements exposes it to the risk of fluctuations in the price of petroleum products. This risk is managed using firm and optional derivatives (swaps, options, caps, floors).

Counterparty risk management

The main transactions which could generate counterparty risk are: financial investments which are diversified (certificates of deposit, commercial paper, note repos and money market funds) and transactions on derivatives.

The aforementioned general framework defines, for the parent company, the counterparty approval procedure, which is based on a quantitative and qualitative analysis of counterparties. Investments volume and term limits are also defined for each counterparty. The counterparty approval procedure for derivatives also involves a signature of a framework agreement. A collateral agreement is also signed with certain counterparties in order to limit counterparty risk.

3. Insurance policy

Historically, the Issuer was self-insured, until 10 years ago when it decided to place a number of covers on the market.

Currently, the Issuer's insurance programme includes four major contracts:

- motor fleet
- liability (public and professional)
- construction liability
- property and consequential Loss

A liability cover was underwritten, effective 1 October 2009, for the subsidiaries on a voluntary basis and, since 1 January 2010, a property and consequential loss cover is available to the subsidiaries, also on a voluntary basis.

The motor fleet cover, renewed on 1 January 2010, is subject to specific terms and conditions in order to include additional subsidiaries in the future.

Therefore, Group subsidiaries may now benefit from specifically designed covers which have been set up for both property and liability risks, and which are in keeping with the SNCF Mobilités' policies.

This Group approach aims not only to achieve better insurance rates, but also to minimize the risk to subsidiaries should their claims experience deteriorate.

The Issuer has opted for high deductibles in order to optimise insurance costs.

An alternative risk transfer study, undertaken in 2010, as a mean to improve insurance and risk management, is now completed and a captive reinsurance company has been created as a result and is operating since 15 October 2012.

4. Rating risks

The Issuer's long term debt has been rated AA- with negative outlook by Standard & Poor's, Aa2 with negative outlook by Moody's Investors Service Limited and AA with stable outlook by Fitch Ratings Ltd and its short term debt has been rated A-1+ by Standard & Poor's, P-1 with negative outlook by Moody's Investors Service Limited and F1+ by Fitch Ratings.

Any downgrading which could be due to a gradually increasing exposure to competitive markets or important adverse changes in the national or European regulatory, statutory and legal framework, may adversely affect the marketability of the Notes issued under this programme in the secondary market.

In addition, changes in the ratings or outlook on the Republic of France could lead to corresponding changes to those in respect of SNCF Mobilités.

FACTORS WHICH ARE MATERIAL FOR THE PURPOSE OF ASSESSING THE MARKET RISKS ASSOCIATED WITH NOTES ISSUED UNDER THE PROGRAMME

Independent Review and Advice

Each prospective investor of Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Notes is fully consistent with its financial needs, objectives and condition, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the Notes.

A prospective investor may not rely on the Issuer or the Dealer(s) or any of their respective affiliates in connection with its determination as to the legality of its acquisition of the Notes or as to the other matters referred to above.

Risks related to the market generally

Set out below is a description of material market risks, including liquidity risk, exchange rate risk, interest rate risk and credit risk:

An active secondary market in respect of the Notes may never be established or may be illiquid and this would adversely affect the value at which an investor could sell his Notes.

Notes may have no established trading market when issued, and one may never develop. If a market does develop, it may not be very liquid. Therefore, investors may not be able to sell their Notes easily or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market. This is particularly the case for Notes that are especially sensitive to interest rate, currency or market risks, are designed for specific investment objectives or strategies or have been structured to meet the investment requirements of limited categories of investor. These types of Notes generally would have a more limited secondary market and more price volatility than conventional debt securities.

If an investor holds Notes which are not denominated in the investor's home currency, he will be exposed to movements in exchange rates adversely affecting the value of his holding. In addition, the imposition of exchange controls in relation to any Notes could result in an investor not receiving payments on those Notes.

The Issuer will pay principal and interest on the Notes in the Specified Currency. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the **Investor's Currency**) other than the Specified Currency. These include the risk that exchange rates may significantly change (including changes due to devaluation of the Specified Currency or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Specified Currency would decrease (1) the Investor's Currency-equivalent yield on the Notes, (2) the Investor's Currency-equivalent value of the principal payable on the Notes and (3) the Investor's Currency-equivalent market value of the Notes.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate or the ability of the Issuer to make payments in respect of the Notes. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Credit ratings assigned to the Issuer or any Notes may not reflect all the risks associated with an investment in those Notes.

One or more independent credit rating agencies may assign credit ratings to the Issuer or the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised, suspended or withdrawn by the rating agency at any time.

In general, European regulated investors are restricted under Regulation (EC) No. 1060/2009 (as amended) (the **CRA Regulation**) from using credit ratings for regulatory purposes, unless such ratings are issued by a credit rating agency established in the EU and registered under the CRA Regulation (and such registration has not been withdrawn or suspended), subject to transitional provisions that apply in certain circumstances whilst the registration application is pending. Such general restriction will also apply in the case of credit ratings issued by non-EU credit rating agencies, unless the relevant credit ratings are endorsed by an EU-registered credit rating agency or the relevant non-EU rating agency is certified in accordance with the CRA Regulation (and such endorsement action or certification, as the case may be, has not been withdrawn or suspended). Certain information with respect to the credit rating agencies and ratings is set out on the cover of this Base Prospectus.

Potential Conflicts of Interest

Each of the Issuer, the Dealer(s) or their respective affiliates may deal with and engage generally in any kind of commercial or investment banking or other business with any issuer of the securities taken up in an index, their respective affiliates or any guarantor or any other person or entities having obligations relating to any issuer of the securities taken up in an index or their respective affiliates or any guarantor in the same manner

as if any index-linked Notes issued under the Programme did not exist, regardless of whether any such action might have an adverse effect on any issuer of the securities included in the index, any of their respective affiliates or any guarantor.

The Issuer may from time to time be engaged in transactions involving an index or related derivatives which may affect the market price, liquidity or value of the Notes and which could be deemed to be adverse to the interests of the Noteholders.

Potential conflicts of interest may arise between the calculation agent, if any, for a Tranche of Notes and the Noteholders, including with respect to certain discretionary determinations and judgements that such calculation agent may make pursuant to the Terms and Conditions that may influence the amount receivable upon redemption of the Notes.

Provision of information

None of the Issuer, the Dealer(s) or any of their respective affiliates make any representation as to the Inflation Indices (as defined below). Any of such persons may have acquired, or during the term of the Notes may acquire, non-public information with respect to the Inflation Indices that is or may be material in the context of the Inflation Linked Notes. The issue of Inflation Linked Notes will not create any obligation on the part of any such persons to disclose to the Noteholders or any other party such information (whether or not confidential).

Risks related to the structure of a particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of the most common such features, distinguishing between factors which may occur in relation to any Notes and those which might occur in relation to certain types of Exempt Notes:

Risks applicable to all Notes

If the Issuer has the right to redeem any Notes at its option, this may limit the market value of the Notes concerned and an investor may not be able to reinvest the redemption proceeds in a manner which achieves a similar effective return.

An optional redemption feature of Notes is likely to limit their market value. During any period when the Issuer may elect to redeem Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

The value of Fixed Rate Notes may be adversely affected by movements in market interest rates.

Investment in Fixed Rate Notes involves the risk that if market interest rates subsequently increase above the rate paid on the Fixed Rate Notes, this will adversely affect the value of the Fixed Rate Notes.

Investors will not be able to calculate in advance their rate of return on Floating Rate Notes

A key difference between Floating Rate Notes and Fixed Rate Notes is that interest income on Floating Rate Notes cannot be anticipated. Due to varying interest income, investors are not able to determine a definite yield of Floating Rate Notes at the time they purchase them, so that their return on investment cannot be compared with that of investments having longer fixed interest periods. If the terms and conditions of the

Notes provide for frequent interest payment dates, investors are exposed to reinvestment risk if market interest rates decline. That is, investors may reinvest the interest income paid to them only at the relevant lower interest rates then prevailing. In addition, the Issuer's ability to also issue Fixed Rate Notes may affect the market value and the secondary market (if any) of the Floating Rate Notes (and vice versa).

Investment in Notes which bear interest at a floating rate comprise (i) a reference rate and (ii) a margin to be added or subtracted, as the case may be, from such base rate. Typically, the relevant margin will not change throughout the life of the Notes but there will be a periodic adjustment (as specified in the relevant Final Terms) of the reference rate (e.g., every three months or six months) which itself will change in accordance with general market conditions. Accordingly, the market value of floating rate Notes may be volatile if changes, particularly short term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Notes upon the next periodic adjustment of the relevant reference rate.

If the Issuer has the right to convert the interest rate on any Notes from a fixed rate to a floating rate, or vice versa, this may affect the secondary market and the market value of the Notes concerned.

Fixed/Floating Rate Notes are Notes which may bear interest at a rate that converts from a fixed rate to a floating rate, or from a floating rate to a fixed rate. Where the Issuer has the right to effect such a conversion, this will affect the secondary market and the market value of the Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate in such circumstances, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate in such circumstances, the fixed rate may be lower than then prevailing market rates.

Notes which are issued at a substantial discount or premium may experience price volatility in response to changes in market interest rates.

The market values of securities issued at a substantial discount (such as Zero Coupon Notes) or premium to their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for more conventional interest-bearing securities. Generally, the longer the remaining term of such securities, the greater the price volatility as compared to more conventional interest-bearing securities with comparable maturities.

Risks applicable to certain types of Exempt Notes

There are particular risks associated with an investment in certain types of Exempt Notes, such as Index Linked Notes and Dual Currency Notes. In particular, an investor might receive less interest than expected or no interest in respect of such Notes and may lose some or all of the principal amount invested by it.

The Issuer may issue Notes with principal or interest determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or to other factors (each, a **Relevant Factor**). In addition, the Issuer may issue Notes with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- (i) the market price of such Notes may be volatile;
- (ii) they may receive no interest;
- (iii) payment of principal or interest may occur at a different time or in a different currency than expected;
- (iv) they may lose all or a substantial portion of their principal;

- (v) a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- (vi) if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable will likely be magnified; and
- (vii) the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

The historical experience of an index or other Relevant Factor should not be viewed as an indication of the future performance of such Relevant Factor during the term of any Notes. Accordingly, each potential investor should consult its own financial and legal advisers about the risk entailed by an investment in any Notes linked to a Relevant Factor and the suitability of such Notes in light of its particular circumstances.

None of the Issuer, the Dealer(s) or any of their respective affiliates makes any representation as to an index. Any of such persons may have acquired, or during the term of the Notes may acquire, non-public information with respect to an index that is or may be material in the context of index-linked Notes. The issue of index-linked Notes will not create any obligation on the part of any such persons to disclose to the Noteholders or any other party such information (whether or not confidential).

Where Notes are issued on a partly paid basis, an investor who fails to pay any subsequent instalment of the issue price could lose all of his investment.

The Issuer may issue Notes where the issue price is payable in more than one instalment. Any failure by an investor to pay any subsequent instalment of the issue price in respect of his Notes could result in such investor losing all of his investment.

Notes which are issued with variable interest rates or which are structured to include a multiplier or other leverage factor are likely to have more volatile market values than more standard securities.

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that do not include those features.

Inverse Floating Rate Notes will have more volatile market values than conventional Floating Rate Notes.

Inverse Floating Rate Notes have an interest rate equal to a fixed rate minus a rate based upon a reference rate such as LIBOR. The market values of those Notes typically are more volatile than market values of other conventional floating rate debt securities based on the same reference rate (and with otherwise comparable terms). Inverse Floating Rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

Zero Coupon Notes fluctuate more in price compared to conventional interest bearing securities.

The prices at which Zero Coupon Notes trade in the secondary market tend to fluctuate more in relation to general changes in interest rates than do the prices for conventional interest-bearing securities of comparable maturities.

Risks applicable to Inflation Linked Notes

Inflation Linked Notes are debt securities which do not provide for predetermined redemption amounts and/or interest payments but amounts due in respect of principal and/or interest will be dependent upon the

performance of an inflation index, which will be either (i) the consumer price index (excluding tobacco) for all households in metropolitan France (the **CPI**) as calculated and published monthly by the *Institut National de la Statistique et des Etudes Economiques (INSEE)*, or (ii) the harmonised index of consumer prices (excluding tobacco), or the relevant successor index, measuring the rate of inflation in the European Monetary Union (excluding tobacco) as calculated and published monthly by Eurostat (the **HICP**) (each an **Inflation Index** and together, the **Inflation Indices**). If the value of the relevant index calculated at any time prior to the maturity date is lower than the value of the relevant index at the time of the issue of the Notes or at the time of purchase by the Noteholders, then the amount of interest payable by the Issuer and/or the principal of Inflation Linked Notes may vary. Noteholders may receive no interest. However, if the nominal amount to be repaid at maturity is below par, the Inflation Linked Notes will be redeemed at par.

Neither the current nor the historical levels of any of the Inflation Indices should be taken as an indication of future performance of such index during the term of any Inflation Linked Notes.

Inflation Linked Notes are not in any way sponsored, endorsed, sold or promoted by the INSEE or Eurostat, as the case may be, and the INSEE and Eurostat make no warranty or representation whatsoever, express or implied, either as to the results to be obtained from the use of the Inflation Indices and/or the figure at which such indices stand at any particular time. The Inflation Indices are determined, composed and calculated by the INSEE and Eurostat, as the case may be, without regard to the Issuer or the Notes. Neither the INSEE or Eurostat, as the case may be, is responsible for or has participated in the determination of the timing of, prices of, or quantities of the Inflation Linked Notes to be issued or in determination or calculation of the interest payable under such Notes. Neither the INSEE nor Eurostat has any obligation or liability in connection with the administration, marketing or trading of the Notes. The INSEE or Eurostat, as the case may be, has no responsibility for any calculation agency adjustment made for the indices.

Risks related to Notes generally

Set out below is a brief description of certain risks relating to the Notes generally:

The conditions of the Notes contain provisions which may permit their modification without the consent of all investors.

The conditions of the Notes contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders, including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

The Notes may be subject to withholding taxes in circumstances where the Issuer is not obliged to make gross up payments and this would result in holders receiving less interest (or similar income) than expected and could significantly adversely affect their return on the Notes.

EU Savings Directive

Under Council Directive 2003/48/EC on the taxation of savings income, Member States are required since 1 July 2005 to provide to the tax authorities of other Member States details of certain payments of interest or similar income paid or secured by a person established in a Member State to or for the benefit of an individual resident in another Member State or to certain limited types of entities established in another Member State.

On 24 March 2014, the Council of the European Union adopted Council Directive 2014/48/EU amending and broadening the scope of the requirements described above. Member States are required to adopt and publish by 1 January 2016, laws and regulations necessary to comply with this Directive and to apply these new requirements from 1 January 2017. The changes will expand the range of payments covered by the Directive, in particular to include additional types of income payable on securities. The Directive will also expand the circumstances in which payments that indirectly benefit an individual resident in a Member State must be reported. This approach will apply to payments made to, or secured for, persons, entities or legal

arrangements (including trusts) where certain conditions are satisfied, and may in some cases apply where the person, entity or arrangement is established or effectively managed outside of the European Union.

For a transitional period, Austria is required (unless during that period it elects otherwise) to operate a withholding system in relation to such payments. The changes referred to above will broaden the types of payments subject to withholding in those Member States which operate a withholding system when they are implemented.

The end of the transitional period is dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries. A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

If a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment, neither the Issuer nor any Paying Agent (as defined in the Conditions of the Notes) nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. If a withholding tax is imposed on a payment made by a Paying Agent, the Issuer will be required to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Directive.

The proposed financial transactions tax (FTT)

On 14 February 2013, the European Commission published a proposal (the **Commission's Proposal**) for a Directive for a common FTT in Belgium, Germany, Estonia, Greece, Spain, France, Italy, Austria, Portugal, Slovenia and Slovakia (the **participating Member States**).

The Commission's Proposal has very broad scope and could, if introduced, apply to certain dealings in the Notes (including secondary market transactions) in certain circumstances. The issuance and subscription of the Notes should, however, be exempt.

Under the Commission's Proposal the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in the Notes where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

Joint statements issued by participating Member States indicate an intention to implement the FTT by 1 January 2016.

However, the FTT proposal remains subject to negotiation between the participating Member States and the scope of any such tax is uncertain. Additional EU Member States may decide to participate. Prospective holders of the Notes are advised to seek their own professional advice in relation to the FTT.

Taxation

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or documentary charges or duties in accordance with the laws and practices of the country where the Notes are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for financial instruments such as the Notes. Potential investors are advised not to rely upon the tax summary contained in this Base Prospectus and/or in the Final Terms but should ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, sale and redemption of the Notes. Only these advisers are in a position to duly consider the specific situation of the potential investor. This investment consideration has to be read in connection with the taxation sections of this Base Prospectus and the additional tax sections, if any, contained in the relevant Final Terms.

Market value of the Notes

The market value of the Notes may be affected by the creditworthiness of the Issuer and a number of additional factors, including the value of any inflation linked index, including, but not limited to, the volatility of such index, or market interest and yield rates and the time remaining to the maturity date.

The value of the Notes depends on a number of interrelated factors, including economic, financial and political events in France or elsewhere, and factors affecting capital markets in general and the stock exchanges on which the Notes are traded. The price at which a Noteholder will be able to sell the Notes prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser. The historical level of the inflation linked index should not be taken as an indication of such index's future performance during the term of any Note.

The value of the Notes could be adversely affected by a change in English law or administrative practice.

The conditions of the Notes are based on English law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change to English law or administrative practice after the date of this Base Prospectus any such change could materially adversely impact the value of any Notes affected by it.

Investors who purchase Notes in denominations that are not an integral multiple of the Specified Denomination may be adversely affected if definitive Notes are subsequently required to be issued.

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive a definitive Note in respect of such holding (should definitive Notes be printed) and would need to purchase a principal amount of Notes such that its holding amounts to a Specified Denomination.

If such Notes in definitive form are issued, holders should be aware that definitive Notes which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

GENERAL DESCRIPTION OF THE PROGRAMME

The following general description does not purport to be complete and is taken from, and is qualified in its entirety by, the remainder of this Base Prospectus and, in relation to the terms and conditions of any particular Tranche of Notes, the applicable Final Terms (or, in the case of Exempt Notes, the applicable Pricing Supplement). The Issuer and any relevant Dealer may agree that Notes shall be issued in a form other than that contemplated in the Terms and Conditions, in which event, in the case of Notes other than Exempt Notes only and if appropriate, a supplement to the Base Prospectus or a new Base Prospectus will be published.

This constitutes a general description of the Programme for the purposes of Article 22.5(3) of Commission Regulation (EC) No 809/2004 implementing the Prospectus Directive.

Several of the implementing decrees of the Rail Reform Law were published in the *Journal Officiel* on 11 February 2015 and will enter into force at the latest on 1 July 2015.

Furthermore, the group includes two other existing State-owned industrial and commercial entities (*Etablissements publics à caractère industriel et commercial* – EPIC): one is SNCF Réseau (the railway infrastructure owner and manager) and the other is SNCF Mobilités (the rail operator).

The EPIC Holding has the same powers over SNCF Réseau and SNCF Mobilités as a parent company has over its subsidiaries under Article L. 233-1 of the French commercial code.

Law n°. 97-135 dated 13 February 1997, Law n° 2006-10 dated 5 January 2006 relating to safety and development of transport, Law n°2009-1503 dated 8 December 2009 relating to the organisation and regulation of railways transport and the Rail Reform Law modified Law n°82-1153 dated 30 December 1982 which, inter alia, sets out the Issuer's purpose (Articles L.2141-1 to L.2141-5 of the *Code des transports*).

The purpose of the Issuer is currently:

- to operate the passenger services on the national railway network, subject to Article L.2121-12 of the *Code des transports*;
- to operate other rail transport services including international rail transports;
- to manage transparently and in a non-discriminatory manner stations entrusted by the State or other public entities in consideration for royalties from railways companies; and

The Issuer may create subsidiaries or take shareholdings in companies, group or other entities, the purpose of which is related, or complementary to its purpose. It is authorized to perform any activities that are directly or indirectly related to its purpose.

The Issuer is controlled by the French State. The Issuer has no shares.

Risk Factors:

- There are certain factors that may affect the Issuer's ability to fulfil its obligations under Notes issued under the Programme. These are set out in the section entitled "*Risk Factors*" above. In addition, there are certain factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme (these are set out under "*Risk Factors*" and include certain risks relating to the structure of particular series of Notes and certain market risks).

TERMS AND CONDITIONS OF THE NOTES

Any reference in the Terms and Conditions to "applicable Final Terms" shall be deemed to include a reference to "applicable Pricing Supplement" where relevant.

The following are the Terms and Conditions of the Notes which will be incorporated by reference into each Global Note (as defined below) and each definitive Note, in the latter case only if permitted by the relevant stock exchange or other relevant authority (if any) and agreed by the Issuer and the relevant Dealer at the time of issue but, if not so permitted and agreed, such definitive Note will have endorsed thereon or attached thereto such Terms and Conditions. The applicable Pricing Supplement in relation to any Tranche of Exempt Notes may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the following Terms and Conditions, replace or modify the following Terms and Conditions for the purpose of such Notes. The applicable Final Terms (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Note and definitive Note. Reference should be made to "Applicable Final Terms" for a description of the content of Final Terms which will specify which of such terms are to apply in relation to the relevant Notes.

This Note is one of a Series (as defined below) of Notes issued by SNCF Mobilités (the **Issuer**) pursuant to the Agency Agreement (as defined below).

References herein to the **Notes** shall be references to the Notes of this Series and shall mean:

- (a) in relation to any Notes represented by a global Note (a **Global Note**), units of each Specified Denomination in the Specified Currency;
- (b) any Global Note; and
- (c) any definitive Notes issued in exchange for a Global Note.

The Notes, the Receipts (as defined below) and the Coupons (as defined below) have the benefit of an agency agreement (such agency agreement as amended and/or supplemented and/or restated from time to time, the **Agency Agreement**) dated 26 March 2015 between the Issuer, Deutsche Bank AG, London Branch, as *inter alia* fiscal agent and principal paying agent and the other agents named in it. The fiscal agent, the paying agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the **Fiscal Agent**, the **Paying Agents** (which expression shall include the Fiscal Agent) and the **Calculation Agent(s)**.

The final terms for this Note (or the relevant provisions thereof) are set out in Part A of the Final Terms (or Pricing Supplement, in the case of Exempt Notes) attached to or endorsed on this Note which supplement these Terms and Conditions (the **Conditions**) and, in the case of a Note which is neither admitted to trading on a regulated market in the European Economic Area nor offered in the European Economic Area in circumstances where a prospectus is required to be published under the Prospectus Directive (an **Exempt Note**), may specify other terms and conditions which shall, to the extent so specified or to the extent inconsistent with the Conditions, replace or modify the Conditions for the purposes of this Note. References to the **applicable Final Terms** are, unless otherwise stated, to Part A of the Final Terms (or the relevant provisions thereof) attached to or endorsed on this Note.

Interest bearing definitive Notes have interest coupons (**Coupons**) and, in the case of Notes which, when issued in definitive form, have more than 27 interest payments remaining, talons for further Coupons (**Talons**) attached on issue. Any reference herein to Coupons or coupons shall, unless the context otherwise requires, be deemed to include a reference to Talons or talons. Exempt Notes in definitive form which are repayable in instalments have receipts (**Receipts**) for the payment of the instalments of principal (other than the final instalment) attached on issue. Global Notes do not have Receipts, Coupons or Talons attached on issue.

The Noteholders (as defined below), the holders of the Coupons and, where applicable in the case of such Notes, Talons (the **Couponholders**) and the holders of Receipts are deemed to have notice of all of the provisions of the Agency Agreement applicable to them.

Any reference to **Noteholders** or **holders** in relation to any Notes shall mean the holders of the Notes and shall, in relation to any Notes represented by a Global Note, be construed as provided below. Any reference herein to **Receiptholders** shall mean the holders of the Receipts and any reference herein to **Couponholders** shall mean the holders of the Coupons and shall, unless the context otherwise requires, include the holders of the Talons.

As used herein, **Tranche** means Notes which are identical in all respects (including as to listing and admission to trading) and **Series** means a Tranche of Notes together with any further Tranche or Tranches of Notes which are (a) expressed to be consolidated and form a single series and (b) identical in all respects (including as to listing and admission to trading) except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

The Noteholders, the Receiptholders and the Couponholders are entitled to the benefit of the Deed of Covenant (such Deed of Covenant as modified and/or supplemented and/or restated from time to time, the **Deed of Covenant**) dated 26 March 2015 and made by the Issuer. The original of the Deed of Covenant is held by the common depositary for Euroclear (as defined below) and Clearstream, Luxembourg (as defined below).

Copies of the Agency Agreement and the Deed of Covenant are available for inspection during normal business hours at the specified offices of each of the Paying Agents. If the Notes are to be admitted to trading on the regulated market of Euronext Paris S.A., the applicable Final Terms will be published on the website of the *Autorité des marchés financiers* (www.amf-france.org). If this Note is an Exempt Note, the applicable Pricing Supplement will only be obtainable by a Noteholder holding one or more Notes and such Noteholder must produce evidence satisfactory to the Issuer and the relevant Paying Agent as to its holding of such Notes and identity. The Noteholders, the Receiptholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement, the Deed of Covenant and the applicable Final Terms which are applicable to them. The statements in the Conditions include summaries of, and are subject to, the detailed provisions of the Agency Agreement.

Words and expressions defined in the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in the Conditions unless the context otherwise requires or unless otherwise stated and provided that, in the event of inconsistency between the Agency Agreement and the applicable Final Terms, the applicable Final Terms will prevail.

In the Conditions, **euro** means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty on the Functioning of the European Union, as amended.

Notes of one Specified Denomination may not be exchanged for Notes of another Specified Denomination.

Unless this Note is an Exempt Note, this Note may be a Fixed Rate Note, a Floating Rate Note, an Inflation Linked Note or a Zero Coupon Note, or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms.

Subject as set out below, title to the Notes, Receipts and Coupons will pass by delivery. The Issuer and the Paying Agents will (except as otherwise required by law) deem and treat the bearer of any Note, Receipt or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear Bank S.A./N.V. (**Euroclear**) and/or Clearstream Banking, société anonyme (**Clearstream, Luxembourg**), each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or of Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of such Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and the Paying Agents as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on such nominal amount of such Notes, for which purpose the bearer of the relevant Global Note shall be treated by the Issuer and any Paying Agent as the holder of such nominal amount of such Notes in accordance with and subject to the terms of the relevant Global Note and the expressions Noteholder and holder of Notes and related expressions shall be construed accordingly.

Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear and Clearstream, Luxembourg, as the case may be. References to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in Part B of the applicable Final Terms.

1.2 Redenomination

Where redenomination is specified in the applicable Final Terms as being applicable, the Issuer may, without the consent of the Noteholders, the Receiptholders and the Couponholders, on giving prior notice to the Fiscal Agent, Euroclear and Clearstream, Luxembourg and at least 30 days' prior notice to the Noteholders in accordance with Condition 13 (Notices), elect that, with effect from the Redenomination Date specified in the notice, the Notes shall be redenominated in Euro.

The election will have effect as follows:

- (a) the Notes and the Receipts shall be deemed to be redenominated in Euro in the denomination of €0.01 with a nominal amount for each Note and Receipt equal to the nominal amount of that Note or Receipt in the Specified Currency, converted into Euro at the Established Rate, provided that, if the Issuer determines, with the agreement of the Fiscal Agent, that the then market practice in respect of the redenomination in Euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, the stock exchange (if any) on which the Notes may be listed and/or admitted to trading and the Paying Agents of such deemed amendments;

- (b) save to the extent that an Exchange Notice has been given in accordance with paragraph (d) below, the amount of interest due in respect of the Notes will be calculated by reference to the aggregate nominal amount of Notes presented (or, as the case may be, in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest €0.01;
- (c) if Notes in definitive form are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer (i) in the case of Relevant Notes in the denomination of €100,000 and/or such higher amounts as the Fiscal Agent may determine and notify to the Noteholders and any remaining amounts less than €100,000 shall be redeemed by the Issuer and paid to the Noteholders in Euro in accordance with Condition 6 (Payments and Talons); and (ii) in the case of Notes which are not Relevant Notes, in the denominations of €1,000, €10,000, €100,000 and (but only to the extent of any remaining amounts less than €1,000 or such smaller denominations as the Fiscal Agent may approve) €0.01 and such other denominations as the Fiscal Agent shall determine and notify to the Noteholders;
- (d) if issued prior to the Redenomination Date, all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Notes) will become void with effect from the date on which the Issuer gives notice (the **Exchange Notice**) that replacement Euro-denominated Notes, Receipts and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Notes and Receipts so issued will also become void on that date although those Notes and Receipts will continue to constitute valid exchange obligations of the Issuer. New Euro-denominated Notes, Receipts and Coupons will be issued in exchange for Notes, Receipts and Coupons denominated in the Specified Currency in such manner as the Fiscal Agent may specify and as shall be notified to the Noteholders in the Exchange Notice. No Exchange Notice may be given less than 15 days prior to any date for payment of principal or interest on the Notes;
- (e) after the Redenomination Date, all payments in respect of the Notes, the Receipts and the Coupons, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in Euro as though references in the Notes to the Specified Currency were to Euro. Payments will be made in Euro by credit or transfer to a Euro account (or any other account to which Euro may be credited or transferred) specified by the payee;
- (f) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on an Interest Payment Date, it will be calculated:
 - (i) in the case of Notes represented by a Global Note, by applying the Rate of Interest to the aggregate outstanding nominal amount of the Notes represented by such Global Note; and
 - (ii) in the case of Definitive Notes in definitive form, by applying the Rate of Interest to the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit (defined below) of the relevant Specified Currency, half of any such sub-unit being rounded upwards. Where the Specified Denomination of a Fixed Rate Note which is a Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination, without any further rounding; and

- (g) if the Notes are Floating Rate Notes, the Issuer may, with the approval of the Fiscal Agent, without the consent of the Noteholders, make any changes or addition to these terms and conditions (including without limitation, any change to any applicable business day definition, business day convention, principal financial centre, interest accrual basis or benchmark), taking into account market practice in respect of redenominated euromarket debt obligations and which it believes is not prejudicial to the interests of such holder. Any changes or additions shall, in the absence of manifest error be binding on the Noteholders and shall be notified to the Noteholders in accordance with Condition 13 (Notice) as soon as practicable thereafter.

Definitions

In this Condition 1.2, the following expressions have the following meanings:

Established Rate means the rate for the conversion of the Specified Currency (including compliance with rules relating to rounding in accordance with applicable European Community regulations) into Euro established by the Council of the European Union pursuant to Article 123 of the Treaty;

Euro means the currency introduced at the start of the third stage of European economic and monetary union pursuant to the Treaty;

Redenomination Date means (in the case of interest bearing Notes) any date for payment of interest under the Notes or (in the case of Zero Coupon Notes) any date, in each case specified by the Issuer in the notice given to the Noteholders pursuant to paragraph (1.1) above and which falls on or after the date on which the country of the Specified Currency first participates in the third stage of European economic and monetary union;

Relevant Notes means all Notes where the applicable Final Terms provide for a minimum Specified Denomination in the Specified Currency which is equivalent to at least €100,000 and which are admitted to trading on a regulated market in the European Economic Area; and

Treaty means the Treaty establishing the European Community, as amended.

2. STATUS OF THE NOTES

The Notes and any relative Receipts and Coupons constitute direct, unconditional, unsubordinated and (subject to the provisions of Condition 3 (Negative Pledge) unsecured obligations of the Issuer and rank and will rank *pari passu* without any preference among themselves and, save for statutorily preferred exceptions, equally with all its other obligations which are unsecured and unsubordinated from time to time outstanding.

3. NEGATIVE PLEDGE

So long as any of the Notes, Receipts or Coupons remain outstanding (as defined in the Agency Agreement) the Issuer will not secure or allow to be secured any loan, debt, guarantee or other obligation, now or hereafter existing, by any mortgage, lien (other than liens arising by operation of law), pledge or other charge upon any of the present or future revenues or assets of the Issuer (except for any mortgage, lien, pledge or other charge on property purchased by the Issuer as security for all or part of the purchase price thereof) without at the same time according to the Notes the same or equivalent security.

4. INTEREST AND OTHER CALCULATIONS

The applicable Final Terms will indicate whether the Notes are Fixed Rate Notes, Floating Rate Notes or Zero Coupon Notes or, in the case of Exempt Notes, whether a different interest basis applies.

4.1 Interest on Fixed Rate Notes:

This Condition 4.1 applies to Fixed Rate Notes only. The applicable Final Terms contain provisions applicable to the determination of fixed rate interest and must be read in conjunction with this Condition 4.1 for full information on the manner in which interest is calculated on Fixed Rate Notes. In particular, the applicable Final Terms will specify the Interest Commencement Date, the Rate(s) of Interest, the Interest Payment Date(s), the Maturity Date, the Fixed Coupon Amount, any applicable Broken Amount, the Calculation Amount, the Day Count Fraction and any applicable Determination Date.

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

Except in the case of Notes in definitive form where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect or any period by applying the Rate of Interest to:

- (a) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (b) in the case of Fixed Rate Notes in definitive form, the Calculation Amount;

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

4.2 Interest on Floating Rate Notes:

- (a) Interest Payment Dates:

This Condition 4.2 applies to Floating Rate Notes only. The applicable Final Terms contain provisions applicable to the determination of floating rate interest and must be read in conjunction with this Condition 4.2 for full information on the manner in which interest is calculated on Floating Rate Notes. In particular, the applicable Final Terms will identify any Specified Interest Payment Dates, any Specified Period, the Interest Commencement Date, the Business Day Convention, any Additional Business Centres, whether ISDA Determination or Screen Rate Determination applies to the calculation of interest, the party

who will calculate the amount of interest due if it is not the Agent, the Margin, any maximum or minimum interest rates and the Day Count Fraction. Where ISDA Determination applies to the calculation of interest, the applicable Final Terms will also specify the applicable Floating Rate Option, Designated Maturity and Reset Date. Where Screen Rate Determination applies to the calculation of interest, the applicable Final Terms will also specify the applicable Reference Rate, Interest Determination Date(s) and Relevant Screen Page.

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date at the rate per annum (expressed as a percentage) equal to the Rate of Interest, such interest being payable in arrear on each Interest Payment Date. Such Interest Payment Date(s) is/are either shown in the applicable Final Terms as Specified Interest Payment Dates or, if no Specified Interest Payment Date(s) is/are shown in the applicable Final Terms, **Interest Payment Date** shall mean each date which falls the number of months or other period shown in the applicable Final Terms as the Specified Period after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

(b) Business Day Convention:

If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified in the applicable Final Terms is (A) the Floating Rate Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (x) such date shall be brought forward to the immediately preceding Business Day and (y) each such subsequent date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (B) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (C) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (D) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(c) Rate of Interest for Floating Rate Notes:

The Rate of Interest in respect of Floating Rate Notes for each Interest Accrual Period shall be determined in the manner specified in the applicable Final Terms and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified in the applicable Final Terms.

(i) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (i), **ISDA Rate** for an Interest Accrual Period means a rate equal to the Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

(A) the Floating Rate Option is as specified in the applicable Final Terms;

- (B) the Designated Maturity is a period specified in the applicable Final Terms; and
- (C) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified in the applicable Final Terms.

For the purposes of this sub-paragraph (i), **Floating Rate, Calculation Agent, Floating Rate Option, Designated Maturity, Reset Date, and Swap Transaction** have the meanings given to those terms in the ISDA Definitions.

(ii) Screen Rate Determination for Floating Rate Notes

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent at or about the Relevant Time on the Interest Determination Date in respect of such Interest Accrual Period in accordance with the following:

- (A) if the Primary Source for the Floating Rate is a Page, subject as provided below, the Rate of Interest shall be:
 - I. the Reference Rate (where such Reference Rate on such Page is a composite quotation or is customarily supplied by one entity); or
 - II. the arithmetic mean of the Reference Rates of the persons whose Reference Rates appear on that Page, in each case appearing on such Page at the Relevant Time on the Interest Determination Date;
- (B) if the Primary Source for the Floating Rate is Reference Banks or if sub-paragraph (A)I above applies and no Reference Rate appears on the Page at the Relevant Time on the Interest Determination Date or if sub-paragraph (A)II above applies and fewer than two Reference Rates appear on the Page at the Relevant Time on the Interest Determination Date, subject as provided below, the Rate of Interest shall be the arithmetic mean of the Reference Rates that each of the Reference Banks is quoting to leading banks in the Relevant Financial Centre at the Relevant Time on the Interest Determination Date, as determined by the Calculation Agent;
- (C) if sub-paragraph (B) above applies and the Calculation Agent determines that fewer than two Reference Banks are so quoting Reference Rates, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) that the Calculation Agent determines to be the rates (being the nearest equivalent to the Benchmark) in respect of a Representative Amount of the Specified Currency that at least two out of five leading banks selected by the Calculation Agent in the principal financial centre of the country of the Specified Currency or, if the Specified Currency is euro, in the Euro-zone as selected by the Calculation Agent, (the **Principal Financial Centre**) are quoting at or about the Relevant Time on the date on which such banks would customarily quote such rates for a period commencing on the Effective Date for a period equivalent to the Specified Duration (I) to leading banks carrying on business in Europe, or (if the Calculation Agent determines that fewer than two of such banks are so quoting to leading banks in Europe) (II) to leading banks carrying on business in the Principal Financial Centre; except that, if fewer than two of such banks are so quoting to leading banks in the Principal Financial Centre, the Rate of Interest shall

be the Rate of Interest determined on the previous Interest Determination Date (after readjustment for any difference between any Margin, Rate Multiplier or Maximum or Minimum Rate of Interest applicable to the preceding Interest Accrual Period and to the relevant Interest Accrual Period).

4.3 Inflation Linked Notes:

(a) Consumer Price Index (CPI).

Where the consumer price index (excluding tobacco) for all households in metropolitan France, as calculated and published by the *Institut National de la Statistique et des Etudes Economiques* (the **INSEE**) (CPI) is specified as the Index in the relevant Final Terms, this Condition 4.3(a) shall apply. Terms defined herein shall have the meanings set out below only when this Condition 4.3(a) shall apply.

The Rate of Interest in respect of Inflation Linked Notes indexed to the CPI (the **CPI Linked Interest**) will be determined by the Calculation Agent on the following basis:

- (i) On the fifth Business Day before each Interest Payment Date (an **Interest Determination Date**) the Calculation Agent will calculate the Inflation Index Ratio.

For the purpose of this Condition 4.3(a), the **Inflation Index Ratio** or **IIR** is the ratio between (i) the CPI Daily Inflation Reference Index (as defined below) applicable upon any Interest Payment Date or the redemption date, as the case may be and (ii) the base reference defined as the CPI Daily Inflation Reference Index (as defined below) applicable on the date specified in the applicable Final Terms the **Base Reference**). Notwithstanding Condition 4.7, the IIR will be rounded if necessary to five significant figures (with halves being rounded up).

CPI Daily Inflation Reference Index means (A) in relation to the first calendar day of any given month, the CPI Monthly Reference Index of the third month preceding such month, and (B) in relation to a calendar day (D) (other than the first calendar day) in any given month (M), the linear interpolation of the CPI Monthly Reference Index pertaining respectively to the third month preceding such month (M – 3) and the second month preceding such month (M – 2) calculated in accordance with the following formula:

CPI Daily Inflation Reference Index=

$$\text{CPI Monthly Reference Index}_{M-3} + \frac{D-1}{ND_M} \times (\text{CPI Monthly Reference Index}_{M-2} - \text{CPI Monthly Reference Index}_{M-3})$$

With:

ND_M: number of calendar days in the relevant month M and, in the case of payment of principal and interest, shall be equal to 31;

D: actual calendar day of payment in the relevant month M and, in the case of payment of principal and interest, shall be equal to 25;

CPI Monthly Reference Index_{M-2}: price index of month M – 2;

CPI Monthly Reference Index_{M-3}: price index of month M – 3.

Notwithstanding Condition 4.7, the CPI Daily Inflation Reference Index will be rounded if necessary to five significant figures (with halves being rounded up).

For information purposes, such CPI Daily Inflation Reference Index appears on the *Agence Française du Trésor* Reuters page OATINFLATION01 or on Bloomberg TRESOR <GO> pages and on the website www.aft.gouv.fr. In case of doubt in the interpretation of the methods used to calculate the Inflation Index Ratio, such methods shall be interpreted by reference to the procedures selected by the French Treasury (*Trésor*) for its *obligations assimilables du Trésor indexées sur l'inflation*.

CPI Monthly Reference Index refers to the definitive consumer price index (excluding tobacco) for all households in metropolitan France, as calculated and published monthly by the INSEE as such index may be adjusted or replaced from time to time as provided herein.

- (ii) The calculation method described below is based on the recommendation issued by the French Bond Association (*Comité de Normalisation Obligataire – www.cnofrance.org*) in its December 2010 Paper entitled "Inflation Indexed Notes" (*Obligations et autres instruments de taux d'intérêt en euro, Normes et usages des marchés de capitaux – Chapitre II: Les obligations indexées sur l'inflation*). In the event of any conflict between the calculation method provided below and the calculation method provided by the Bond Association (*Comité de Normalisation Obligataire*), the calculation method provided by the Bond Association (*Comité de Normalisation Obligataire*) shall prevail.

The CPI Linked Interest applicable from time to time for each Interest Period (as specified in the relevant Final Terms) will be equal to the rate per annum specified in the relevant Final Terms multiplied by the Inflation Index Ratio.

(iii)

- (A) If the CPI Monthly Reference Index is not published in a timely manner, a substitute CPI Monthly Reference Index (the **Substitute CPI Monthly Reference Index**) shall be determined by the Calculation Agent in accordance with the following provisions:

- (x) If a provisional CPI Monthly Reference Index (*indice provisoire*) has already been published, such index shall automatically be used as the Substitute CPI Monthly Reference Index. Such provisional CPI Monthly Reference Index would be published under the heading "*indice de substitution*". Once the definitive CPI Monthly Reference Index is released, it would automatically apply from the calendar day following its release to all calculations taking place from this date.
- (y) If no provisional CPI Monthly Reference Index is available, a substitute index shall be calculated on the basis of the most recently published figure adjusted as set out in the following formula:

Substitute CPI Monthly Reference Index_M=

$$\text{CPIMonthlyReference Index}_{M-1} \times \frac{\text{CPIMonthlyReference Index}_{M-1}^{\frac{1}{12}}}{\text{CPIMonthlyReference Index}_{M-13}^{\frac{1}{12}}}$$

- (B) In the event INSEE decides to proceed with one or more base changes for the purpose of calculating the CPI Monthly Reference Index, the two CPI Monthly Reference Indexes which have been calculated on a different basis will be chained on the basis of the December CPI Monthly Reference Index

of the last year of joint publications, which corresponds to the CPI Daily Inflation Reference Index for 1st March of the following year. Such chaining will be carried out in accordance with the following equation:

$$\text{Key} = \frac{\text{CPIMonthlyReference Index}_{\text{pertaining to December calculated on the new basis}}}{\text{CPIMonthlyReference Index}_{\text{pertaining to December calculated on the previous basis}}}$$

Such that:

$$\text{CPIMonthlyReference Index}_{\text{NewBasis}}^{\text{DateD}} = \text{CPIMonthlyReference Index}_{\text{PreviousBasis}}^{\text{DateD}} \times \text{Key}$$

(b) Harmonised Index of Consumer Prices (HICP)

Where the harmonised index of consumer prices (excluding tobacco) measuring the rate of inflation in the European Monetary Union (excluding tobacco) as calculated and published monthly by Eurostat (the **HICP**) is specified as the Index in the relevant Final Terms, this Condition 4.3(b) shall apply. Terms defined herein shall have the meanings set out below only when this Condition 4.3(b) shall apply.

The Rate of Interest in respect of Inflation Linked Notes indexed to the HICP (the **HICP Linked Interest**) will be determined by the Calculation Agent on the following basis:

- (i) On the fifth Business Day before each Interest Payment Date (an **Interest Determination Date**) the Calculation Agent will calculate the Inflation Index Ratio.

For the purpose of this Condition 4.3(b), the **Inflation Index Ratio** or **IIR** is the ratio between (i) the HICP Daily Inflation Reference Index (as defined below) applicable upon any Interest Payment Date or the redemption date, as the case may be and (ii) the base reference defined as the HICP Daily Inflation Reference Index (as defined below) applicable on the date specified in the applicable Final Terms (the **Base Reference**). Notwithstanding Condition 4.7, the IIR will be rounded if necessary to five significant figures (with halves being rounded up).

HICP Daily Inflation Reference Index means (A) in relation to the first calendar day of any given month, the HICP Monthly Reference Index of the third month preceding such month, and (B) in relation to a calendar day (D) (other than the first calendar day) in any given month (M), the linear interpolation of the HICP Monthly Reference Index pertaining respectively to the third month preceding such month (M - 3) and the second month preceding such month (M - 2) calculated in accordance with the following formula:

HICP Daily Inflation Reference Index =

$$\text{HICPMonthlyReference Index}_{M-3} + \frac{D-1}{\text{ND}_M} \times (\text{HICPMonthlyReference Index}_{M-2} - \text{HICPMonthlyReference Index}_{M-3})$$

With:

ND_M: number of calendar days in the relevant month M and, in the case of payment of principal and interest, shall be equal to 31;

D: actual calendar day of payment in the relevant month M and, in the case of payment of principal and interest, shall be equal to 25;

HICP Monthly Reference Index_{M-2}: price index of month M – 2;

HICP Monthly Reference Index_{M-3}: price index of month M – 3.

Notwithstanding Condition 4.7 the HICP Daily Inflation Reference Index will be rounded if necessary to five significant figures (with halves being rounded up).

For information purposes, such HICP Daily Inflation Reference Index appears on the *Agence Française du Trésor* Reuters page OATEI01, on the website www.afl.gouv.fr. and on Bloomberg page TRESOR.

HICP Monthly Reference Index refers to the harmonised index of consumer prices (excluding tobacco) measuring the rate of inflation in the European Monetary Union (excluding tobacco) as calculated and published by Eurostat as such index may be adjusted or replaced from time to time as provided herein.

(ii) The HICP Linked Interest applicable from time to time for each Interest Period (as specified in the relevant Final Terms) will be equal to the rate per annum specified in the relevant Final Terms multiplied by the Inflation Index Ratio (as defined above).

(iii)

(A) If the HICP Monthly Reference Index is not published in a timely manner, a substitute HICP Monthly Reference Index (the **Substitute HICP Monthly Reference Index**) shall be determined by the Calculation Agent in accordance with the following provisions:

(x) If a provisional HICP Monthly Reference Index has already been published by Eurostat, such index shall automatically be used as the Substitute HICP Monthly Reference Index. Once the definitive HICP Monthly Reference Index is released, it would automatically apply from the calendar day following its release to all calculations taking place from this date.

(y) If no provisional HICP Monthly Reference Index is available, a substitute index shall be calculated on the basis of the most recently published figure adjusted as set out in the following formula:

Substitute HICP Monthly Reference Index_M =

$$\text{HICP Monthly Reference Index}_{M-1} \times \frac{\text{HICP Monthly Reference Index}_{M-1}^{\frac{1}{12}}}{\text{HICP Monthly Reference Index}_{M-13}}$$

(B) In the event Eurostat decides to proceed with one or more base changes for the purpose of calculating the HICP Monthly Reference Index, the two HICP Monthly Reference Indexes which have been calculated on a different basis will be chained on the basis of the December HICP Monthly Reference Index of the last year of joint publications, which corresponds to the HICP Daily Inflation Reference Index for 1st March of the following year. Such chaining will be carried out in accordance with the following equation:

$$\text{Key} = \frac{\text{HICPMonthlyReference Index}_{\text{pertaining to December calculated on the new basis}}}{\text{HICPMonthlyReference Index}_{\text{pertaining to December calculated on the previous basis}}}$$

Such that:

$$\text{HICPMonthlyReference Index}_{\text{NewBasis}}^{\text{DateD}} = \text{HICPMonthlyReference Index}_{\text{PreviousBasis}}^{\text{DateD}} \times \text{Key}$$

4.4 Zero Coupon Notes:

Where a Note the Interest Basis of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as defined in Condition 5.2).

4.5 Exempt Notes:

The rate or amount of interest payable in respect of Exempt Notes which are not also Fixed Rate Notes or Floating Rate Notes shall be determined in the manner specified in the applicable Pricing Supplement, provided that where such Notes are Index Linked Interest Notes the provisions of Condition 4.2 shall, save to the extent amended in the applicable Pricing Supplement, apply as if the references therein to Floating Rate Notes and to the Agent were references to Index Linked Interest Notes and the Calculation Agent, respectively, and provided further that the Calculation Agent will notify the Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Pricing Supplement.

4.6 Accrual of Interest:

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (after as well as before judgment) at the Rate of Interest in the manner provided in this Condition 4 (Interest and other Calculations), to the Relevant Date (as defined in Condition 7 (Taxation)).

4.7 Margin, Maximum/Minimum Rates of Interest, Instalment Amounts and Redemption Amounts, Rate Multipliers and Rounding:

- (a) If any Margin or Rate Multiplier is specified in the applicable Final Terms (either (i) generally, or (ii) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (i), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (ii), calculated in accordance with Condition 4.2 above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin or multiplying by such Rate Multiplier, subject always to the next paragraph.
- (b) If any Maximum or Minimum Rate of Interest, Instalment Amount or Redemption Amount is specified in the applicable Final Terms, then any Rate of Interest, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.

- (c) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (i) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred thousandth of a percentage point (with halves being rounded up), (ii) all figures shall be rounded to seven significant figures (with halves being rounded up) and (iii) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes **unit** means the lowest amount of such currency that is available as legal tender in the country or countries of such currency.

4.8 Calculations:

The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

4.9 Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts and Instalment Amounts:

As soon as practicable after the Relevant Time on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, it shall determine such rate and calculate the Interest Amounts in respect of each Specified Denomination of the Notes for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or Instalment Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Early Redemption Amount, Optional Redemption Amount or any Instalment Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange so require, such exchange as soon as possible after their determination but in no event later than (a) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (b) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 4.2(b), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 9 (Events of Default), the accrued interest and the Rate of Interest payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Rate of Interest or the Interest Amount so calculated need be made. The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Period or Interest Accrual Period or to calculate any Interest Amount, Instalment Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

5. REDEMPTION, PURCHASE AND OPTIONS

5.1 Redemption by Instalments, Final Redemption and Redemption of Inflation Linked Notes:

- (a) Unless previously redeemed, purchased and cancelled as provided in this Condition 5 (Redemption, Purchase and Options) or unless the relevant Instalment Date (being one of the dates so specified in the applicable Final Terms) is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 5.4 or 5.5, each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified in the applicable Final Terms. The outstanding nominal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the nominal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused on presentation of the related Receipt, in which case such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.

- (b) Unless previously redeemed, purchased and cancelled as provided below or unless its maturity is extended pursuant to any Issuer's or Noteholder's option in accordance with Condition 5.4 or 5.5, each Note shall be finally redeemed on the Maturity Date specified in the applicable Final Terms at its Final Redemption Amount (which, unless otherwise provided, is its nominal amount) or, in the case of a Note falling within sub-paragraph (a) above, its final Instalment Amount.
- (c) If so specified in the relevant Final Terms, the Final Redemption Amount in respect of Inflation Linked Notes will be determined by the Calculation Agent on the following basis:

$$\text{Final Redemption Amount} = \text{IIR} \times \text{nominal amount of the Notes}$$

IIR being for the purposes of this Condition 5.1(c) the ratio determined on the fifth Business Day before the Maturity Date between either (i) if the CPI is specified as the Index applicable in the Final Terms, the CPI Daily Inflation Reference Index or (ii) if the HICP is specified as the Index applicable in the Final Terms, the HICP Daily Inflation Reference Index, on the Maturity Date and the Base Reference on the date specified in the relevant Final Terms.

If the Final Redemption Amount calculated as set out above is below par, the Notes will be redeemed at par.

5.2 Early Redemption:

- (a) Zero Coupon Notes:
 - (i) The Early Redemption Amount payable in respect of any Zero Coupon Note, the Early Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 5.3 or upon it becoming due and payable as provided in Condition 9 (Events of Default), shall be the Amortised Face Amount (calculated as provided below) of such Note unless otherwise specified in the applicable Final Terms.
 - (ii) Subject to the provisions of sub-paragraph (iii) below, the Amortised Face Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the applicable Final Terms, shall be such rate as would produce an Amortised Face Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
 - (iii) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 5.3 or upon it becoming due and payable as provided in Condition 9 (Events of Default) is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (ii) above, except that such sub-paragraph shall have effect as though the reference therein to the date on which the Note becomes due and payable were replaced by a reference to the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (as well after as before judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 4.3.

Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction specified in the applicable Final Terms.

(b) Inflation Linked Notes:

- (i) If the relevant Final Terms provide that this Condition 5.2(b) shall apply in respect of Inflation Linked Notes, the Early Redemption Amount in respect of such Notes will be determined by the Calculation Agent on the following basis:

Early Redemption Amount = IIR x nominal amount of the Notes

IIR being for the purposes of this Condition the ratio determined on the fifth Business Day before the date set for redemption between either (i) if the CPI is specified as the Index applicable in the Final Terms, the CPI Daily Inflation Reference Index or (ii) if the HICP is specified as the Index applicable in the Final Terms, the HICP Daily Inflation Reference Index on the date set for redemption and the Base Reference specified in the relevant Final Terms.

If the Early Redemption Amount calculated as set out above is below par, the Notes will be redeemed at par.

- (ii) If the Inflation Linked Notes (whether or not this Condition 5.2(b) applies) fall to be redeemed for whatever reason before the Maturity Date, the Issuer will pay the Early Redemption Amount together with interest accrued to the date set for redemption. Such accrued interest will be calculated by the Calculation Agent in respect of the period from, and including the immediately preceding Interest Payment Date or, as the case may be, the Interest Commencement Date to, but excluding, the date set for redemption of such Notes at a rate per annum on the basis of the provisions of Condition 4.3 above except that, for such purposes the relevant Interest Determination Date shall be the fifth Business Day prior to the relevant Early Redemption Date.

(c) Other Notes:

The Early Redemption Amount payable in respect of any Note (other than Notes described in (a) and (b) above), upon redemption of such Note pursuant to Condition 5.3 or upon it becoming due and payable as provided in Condition 9 (Events of Default), shall be the Final Redemption Amount unless otherwise specified in the applicable Final Terms.

5.3 Redemption for Taxation Reasons:

- (a) If by reason of any change in, or amendment to, the laws and regulations of the Republic of France or any political subdivision or any authority therein or thereof having power to tax, or any change in the official application or interpretation thereof, becoming effective after the Issue Date, the Issuer would become obliged to pay additional amounts as provided or referred to in Condition 7 (Taxation), the Issuer may (having given not more than the maximum period of notice nor less than the minimum period of notice specified in the applicable Final Terms to the Noteholders, which notice shall be irrevocable) redeem at their Early Redemption Amount (as described in Condition 5.2 above) together with interest accrued (if any) to the date fixed for redemption all (but not some only) of the Notes on any Interest Payment Date, or, if so specified in the applicable Final Terms, at any time, at their Early Redemption Amount (together with interest accrued to the date fixed for redemption), provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer could make payment of principal and interest without withholding for French taxes.

- (b) If, on the occasion of the next payment due in respect of the Notes, the Issuer would be prevented by French law from making payment to the Noteholders and the Couponholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts as provided in Condition 7 (Taxation), then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and shall redeem all, but not some only, of the Notes then outstanding at their Early Redemption Amount, together with interest accrued (if any) to the date of such redemption on (A) the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of Noteholders shall be the later of (i) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes and (ii) 14 days after giving notice to the Fiscal Agent as aforesaid or (B) if so specified on this Note, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date on which the Issuer could make payment of the full amount payable in respect of the Notes, Receipts or Coupons or, if that date is passed, as soon as practicable thereafter.

5.4 Redemption at the Option of the Issuer and Exercise of Issuer's Options:

This Condition 5.4 applies to Notes which are subject to redemption prior to the Maturity Date at the option of the Issuer (other than for taxation reasons), such option being referred to as an **Issuer Call**. The applicable Final Terms contains provisions applicable to any Issuer Call and must be read in conjunction with this Condition 5.4 for full information on any Issuer Call. In particular, the applicable Final Terms will identify the Optional Redemption Date(s), the Optional Redemption Amount, any minimum or maximum amount of Notes which can be redeemed and the applicable notice periods.

If Issuer Call is specified as being applicable in the applicable Final Terms, the Issuer may, on giving not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms, which notice shall be irrevocable to the Noteholders redeem, or exercise any Issuer's option (as may be described in the applicable Final Terms) in relation to, all or, if so provided, some of the Notes on any Optional Redemption Date or Option Exercise Date, as the case may be. Any such redemption of Notes shall be at their Optional Redemption Amount together with interest accrued to the date fixed for redemption. Any such redemption or exercise must relate to Notes of a nominal amount at least equal to the minimum nominal amount to be redeemed (the **Minimum Redemption Amount**) specified in the applicable Final Terms and no greater than the maximum nominal amount to be redeemed (the **Maximum Redemption Amount**) specified in the applicable Final Terms.

All Notes in respect of which any such notice is given shall be redeemed, or the Issuer's option shall be exercised, on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption or a partial exercise of an Issuer's option, the notice to Noteholders shall also contain the certificate numbers of the Notes to be redeemed or in respect of which such option has been exercised, which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and stock exchange requirements.

So long as the Notes are admitted to trading on Euronext Paris, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in accordance with Articles 221-3 and 221-4 of the *Règlement Général* of the *Autorité des marchés financiers* and on the website of any other competent authority and/or Regulated Market of the EEA Member State where the Notes are listed and admitted to trading, a notice specifying the aggregate nominal amount of Notes outstanding and, in the case of Definitive Notes, a list of any Definitive Notes drawn for redemption but not surrendered.

5.5 Redemption at the Option of Noteholders and Exercise of Noteholders' Options:

This Condition 5.5 applies to Notes which are subject to redemption prior to the Maturity Date at the option of the Noteholder, such option being referred to as an **Investor Put**. The applicable Final Terms contains provisions applicable to any Investor Put and must be read in conjunction with this Condition 5.5 for full information on any Investor Put. In particular, the applicable Final Terms will identify the Optional Redemption Date(s), the Optional Redemption Amount and the applicable notice periods.

If Investor Put is specified as being applicable in the applicable Final Terms, the Issuer shall, at the option of the holder of any such Note, upon the holder of such Note giving not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Issuer redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option or any other Noteholders' option that may be set out in the applicable Final Terms (which must be exercised on an Option Exercise Date) the holder must deposit such Note (together with all unmatured Receipts and Coupons and unexchanged Talons) with any Paying Agent at its specified office, together with a duly completed option exercise notice (**Exercise Notice**) in the form obtainable from any Paying Agent within the notice period. No Note so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer.

5.6 Specific redemption provisions applicable to certain types of Exempt Notes:

The Final Redemption Amount, any Optional Redemption Amount and the Early Redemption Amount in respect of Index Linked Redemption Notes and Dual Currency Redemption Notes may be specified in, or determined in the manner specified in, the applicable Pricing Supplement. For the purposes of Condition 5.3, Index Linked Interest Notes and Dual Currency Interest Notes may be redeemed only on an Interest Payment Date.

Instalment Notes will be redeemed in the Instalment Amounts and on the Instalment Dates specified in the applicable Pricing Supplement. In the case of early redemption, the Early Redemption Amount of Instalment Notes will be determined in the manner specified in the applicable Pricing Supplement.

Partly Paid Notes will be redeemed whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the provisions specified in the applicable Pricing Supplement.

5.7 Purchases:

The Issuer may at any time purchase Notes (provided that all unmatured Receipts and Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or by tender or by private treaty or otherwise at any price.

5.8 Cancellation:

All Notes purchased by or on behalf of the Issuer will, subject to applicable laws and regulations, at the option of the Issuer, either (a) be kept by or on behalf of the Issuer, or (b) be cancelled by surrendering the Notes in question together with all unmatured Receipts and Coupons and all unexchanged Talons to the Fiscal Agent and, in each case, if so surrendered, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so cancelled or surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

6. PAYMENTS AND TALONS

6.1 Payments:

Payments of principal and interest in respect of Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 6.5(e)) or Coupons (in the case of interest, save as specified in Condition 6.5(e)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the holder, by transfer to an account denominated in such currency with, a bank in the principal financial centre for such currency, or, in the case of euro, in a city in which banks have access to the TARGET2 System.

6.2 Payments in the United States:

Notwithstanding the foregoing, if any Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (a) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (b) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (c) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

6.3 Payments Subject to Fiscal or Withholding Laws:

All payments are subject in all cases to (a) any applicable fiscal or other laws, regulations and directives, but without prejudice to the provisions of Condition 7 (Taxation) and (b) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the **Code**) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, official interpretations thereof, or (without prejudice to the provisions of Condition 7 (Taxation)) any law implementing an intergovernmental approach thereto. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

6.4 Appointment of Agents:

The Fiscal Agent, the Paying Agents and the Calculation Agent initially appointed by the Issuer and their respective specified offices are listed below. If any additional Paying Agents are appointed in connection with any Series, the names of such Paying Agents will be specified in Part B of the applicable Final Terms. The Fiscal Agent, the Paying Agents and the Calculation Agent(s), act solely as agents of the Issuer and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, or the Calculation Agent(s) and/or approve any change in the specified office through which any Paying Agent acts and to appoint additional or other Paying Agents, provided that the Issuer shall at all times maintain (a) a Fiscal Agent, (b) one or more Calculation Agent(s) where the Conditions so require, (c) a Redenomination Agent and a Consolidation Agent where the Conditions so require (and further provided that on a redenomination of the Notes pursuant to Condition 1.2 and a consolidation of the Notes with a further issue of Notes pursuant to Condition 11 (Further Issues and Consolidation), the Issuer shall procure that the same entity shall be appointed as the Redenomination Agent and the Consolidation Agent in respect of both the Notes and such other issues of notes), (d) the Issuer will maintain such other agents as may be required by the rules of any other stock exchange on which the

Notes may be listed and/or admitted to trading (or any other relevant authority) and (e) a Paying Agent in a Member State of the European Union (a **Member State**) that is not obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC, as amended, or any law implementing or complying with, or introduced in order to conform to, such Directive (any such Directive or law, an **EU Savings Directive Tax Law**) to the extent that any Member State does not maintain any obligation to so withhold or deduct pursuant to any EU Savings Directive Tax Law.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Notes denominated in U.S. dollars in the circumstances described in Condition 6.2 above.

Notice of any such change or of any change of any specified office shall promptly be given to the Noteholders.

6.5 Unmatured Coupons and Receipts and unexchanged Talons:

Unless the Notes provide that the relative Coupons are to become void upon the due date for redemption of those Notes, Notes should be surrendered for payment together with all unmaturing Coupons (if any) appertaining thereto, failing which an amount equal to the face value of each missing unmaturing Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unmaturing Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 8).

- (a) If the Notes so provide, upon the due date for redemption of any Note, unmaturing Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (b) Upon the due date for redemption of any Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (c) Upon the due date for redemption of any Note that is redeemable in instalments, all Receipts relating to such Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
- (d) Where any Note that provides that the relative unmaturing Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmaturing Coupons, and where any Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (e) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Note or Certificate representing it, as the case may be. Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

6.6 Talons:

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the

specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 8 (Prescription)).

6.7 Non-Business Days:

If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, **business day** means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as "Additional Financial Centres" in the applicable Final Terms and:

- (a) in the case of a payment in a currency other than euro, where payment is to be made by transfer to an account maintained with a bank in the relevant currency, a day on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency; or
- (b) in the case of a payment in euro, a day which is a TARGET2 Business Day.

7. TAXATION

All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the Notes, Receipts or Coupons shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

If French law should require that payments of principal or interest in respect of any Note be subject to withholding or deduction with respect to any taxes or duties whatsoever, the Issuer will, to the fullest extent then permitted by French law, pay such additional amounts as may be necessary in order that the net amounts received by the holders of Notes, Receipts and Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would have been receivable in respect of the Notes, Receipts or Coupons, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

- (a) presented for payment by or on behalf of a holder who is liable to such taxes or duties in respect of such Note or Coupon by reason of his having some connection with the Republic of France other than the mere holding of the Note, Receipt or Coupon; or
- (b) where such withholding or deduction is required to be made pursuant to the new European Council Directive 2003/48/EC, as amended, on the taxation of savings income, or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (c) presented for payment by or on behalf of a holder who would be able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union; or
- (d) presented for payment more than 30 days after the Relevant Date, except to the extent that the holder thereof would have been entitled to such additional amounts on presenting the same for payment on the last day of such period of 30 days.

As used in these Conditions, **Relevant Date** in respect of any Note, Receipt or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is

made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or relative Certificate), Receipt or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation. References in these Conditions to (i) **principal** shall be deemed to include any premium payable in respect of the Notes, all Instalment Amounts, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Face Amounts and all other amounts in the nature of principal payable pursuant to Condition 5 (Redemption, Purchase and Options) or any amendment or supplement to it, (ii) **interest** shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 4 (Interest and other Calculations) or any amendment or supplement to it and (iii) **principal** and/or **interest** shall be deemed to include any additional amounts that may be payable under this Condition.

8. PRESCRIPTION

Claims against the Issuer for payment in respect of the Notes, Receipts and Coupons (which for this purpose shall not include Talons) shall become void unless made within ten years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

9. EVENTS OF DEFAULT

Upon any of the following events (each an **Event of Default**) taking place, the holder of any Note may give written notice to the Issuer through the Fiscal Agent at its specified office that such Note is immediately due and payable, whereupon the Early Redemption Amount of such Note together with accrued interest to the date of payment shall become immediately due and payable, unless such Event of Default shall have been remedied prior to the receipt of such notice by the Fiscal Agent:

- (a) default is made for more than 15 days in the payment of any principal and interest due in respect of the Notes; or
- (b) default by the Issuer in the performance or observance of any other obligation on its part under the Notes and such default continues for 30 days after written notice requiring such default to be remedied has been given by the holder of any Note through the Fiscal Agent to the Issuer; or
- (c) any other indebtedness for money borrowed by the Issuer becoming prematurely repayable following a default, or steps being taken to enforce any security in respect thereof, or the Issuer defaulting in the repayment of any such indebtedness at the maturity thereof as extended by any applicable grace period, or any guarantee of any indebtedness for money borrowed given by the Issuer not being honoured when due and called upon; or
- (d) the Issuer being dissolved or merged into a company, unless in such event the obligations of the Issuer pursuant to the Notes are assumed by such company either expressly by contract or by virtue of applicable law.

10. REPLACEMENT OF NOTES, RECEIPTS, COUPONS AND TALONS

If a Note, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange regulations, at the specified office of the Paying Agent in London or such other Paying Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Receipts,

Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

11. FURTHER ISSUES AND CONSOLIDATION

11.1 Further Issues

The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further notes ranking *pari passu* with the Notes and having the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest on them). References in these Conditions to **Notes** shall be construed accordingly.

11.2 Consolidation

The Issuer may also from time to time upon not less than 30 days' prior notice to Noteholders, without the consent of the holders of the Notes or Coupons of any Series, consolidate the Notes with notes of one or more other Series issued by it provided that, in respect of all periods subsequent to such consolidation, the notes of all such other Series are denominated in the same currency as such Notes (irrespective of the currency in which any notes of such other Series were originally issued) and otherwise have the same terms and conditions as such Notes. Notice of any such consolidation will be given to the Noteholders in accordance with Condition 13 (Notices). The Fiscal Agent shall act as the consolidation agent (in such capacity, the **Consolidation Agent**).

With effect from their consolidation, the Notes and the notes of such other Series will (if listed prior to such consolidation) be listed on at least one European stock exchange on which either such Notes or the notes of such other Series were listed immediately prior to consolidation.

The Issuer shall in dealing with the holders of such Notes following a consolidation pursuant to this Condition 11 (Further Issues and Consolidation) have regard to the interests of the holders of such Notes and the holders of the notes of such other Series, taken together as a class, and shall treat them alike.

12. MEETINGS OF NOTEHOLDERS AND MODIFICATIONS

12.1 Meetings of Noteholders:

The Agency Agreement contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Agency Agreement) of a modification of any of these Conditions. Such a meeting may be convened by Noteholders holding not less than 10 per cent. in nominal amount of the Notes for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution shall be two or more persons holding or representing a clear majority in nominal amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the nominal amount of the Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia* (other than as specifically provided in these Conditions) (a) to amend the dates of maturity or redemption of the Notes, any Instalment Date or any date for payment of interest or Interest Amounts on the Notes, (b) to reduce or cancel the nominal amount of, or any Instalment Amount of, or any premium payable on redemption of, the Notes, (c) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (d) if a Minimum and/or a Maximum Rate of Interest, Instalment Amount or Redemption Amount is shown in the applicable Final Terms, to reduce any such Minimum and/or Maximum, (e) to vary any method of, or basis for, calculating the Final Redemption Amount, the Early Redemption Amount or the Optional Redemption Amount, including the method of calculating the Amortised Face Amount, (f) to vary the currency or currencies of payment or denomination of the Notes, (g) to take any steps that are specified in the

applicable Final Terms may only be taken following approval by an Extraordinary Resolution to which the special quorum provisions apply or (h) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass the Extraordinary Resolution, in which case the necessary quorum shall be two or more persons holding or representing not less than 75 per cent., or at any adjourned meeting not less than 25 per cent., in nominal amount of the Notes for the time being outstanding. The Agency Agreement provides that (i) a resolution passed at a meeting duly convened and held in accordance with the Agency Agreement by a majority consisting of not less than three-fourths of the votes cast on such resolution, (ii) a resolution in writing signed by or on behalf of the holders of not less than three-fourths in nominal amount of the Notes for the time being outstanding or (iii) consent given by way of electronic consents through the relevant clearing system(s) (in a form satisfactory to the Fiscal Agent) by or on behalf of the holders of not less than three-fourths in nominal amount of the Notes for the time being outstanding, shall, in each case, be effective as an Extraordinary Resolution of the Noteholders. Any Extraordinary Resolution duly passed will be binding on Noteholders (whether or not they were present at any meeting and whether or not they voted on the resolution) and on all Couponholders.

12.2 Modification of Agency Agreement:

The Issuer shall only permit any modification (including for the purposes of giving effect to the provisions of Condition 11 (Further Issues and Consolidation)) of, or any waiver or authorisation of any breach or proposed breach of or any failure to comply with, the Agency Agreement, if to do so could not reasonably be expected to be prejudicial to the interests of the Noteholders.

13. NOTICES

Notices to the holders of Notes shall be valid if published (a) in a daily newspaper of general circulation in London (which is expected to be the *Financial Times*), and (b) so long as the Notes are listed on Euronext Paris S.A. and the rules of that exchange so require, in a daily newspaper with general circulation in France, (which is expected to be the *Les Echos*) or in accordance with Articles 221-3 and 221-4 of the General Regulation (*Règlement Général*) of the *Autorité des marchés financiers*). If any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first publication as provided above. Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Notes in accordance with this Condition 13 (Notices). The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any other stock exchange (or other relevant authority) on which the Notes are for the time being listed. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in each such newspaper.

Except in the case of Notes listed on Euronext Paris S.A., until such time as any definitive Notes are issued, there may (provided that in the case of Notes listed on any stock exchange, the rules of such stock exchange (or other relevant authority) so permit), so long as the global Note(s) is or are held in its/their entirety on behalf of Euroclear and Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) the delivery of the relevant notice to Euroclear and Clearstream, Luxembourg for communication by them to the Noteholders. Any such notice shall be deemed to have been given to the holders of the Notes on such day as is specified in the applicable Final Terms after the day on which the said notice was given to Euroclear and Clearstream, Luxembourg.

Notices to be given by any holder of the Notes shall be in writing and given by lodging the same, together with the relative Note or Notes, with the Agent. Whilst any of the Notes are represented by a global Note, such notice may be given by any holder of a Note to the Agent via Euroclear and/or Clearstream, Luxembourg, as the case may be, in such manner as the Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

14. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999 except and to the extent (if any) that the Notes expressly provide for such Act to apply to any of their terms.

15. GOVERNING LAW AND JURISDICTION

15.1 Governing Law:

The Notes, the Receipts, the Coupons, the Talons and the Agency Agreement (including a dispute relating to any non-contractual obligations arising out of or in connection with the Notes, the Receipts, the Coupons, the Talons and/or the Agency Agreement) are governed by and construed in accordance with, English law.

15.2 Jurisdiction:

- (a) Subject to Condition 15.2(c) below, the English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with the Notes, the Receipts and/or the Coupons, including any dispute as to their existence, validity, interpretation, performance, breach or termination or the consequences of their nullity and any dispute relating to any non-contractual obligations arising out of or in connection with the Notes, the Receipts and/or the Coupons (a **Dispute**) and all Disputes will be submitted to the exclusive jurisdiction of the English courts.
- (b) For the purposes of this Condition 15.2, each of the Issuer and any Noteholders, Receiptholders or Couponholders taking proceedings in relation to any Dispute waives any objection to the English courts on the grounds that they are an inconvenient or inappropriate forum to settle any Dispute.
- (c) This Condition 15.2(c) is for the benefit of the Noteholders, the Receiptholders and the Couponholders only. To the extent allowed by any applicable law, the Noteholders, the Receiptholders and the Couponholders may, in respect of any Dispute or Disputes, take (i) proceedings in any other court with jurisdiction; and (ii) concurrent proceedings in any number of jurisdictions.

15.3 Service of Process:

The Issuer irrevocably appoints Rail Europe Limited of 34 Tower View, West Malling, Kent ME19 4ED, its authorised agent in England, to receive, for it and on its behalf, service of process in any Dispute in England. Such service shall be deemed completed on delivery to such process agent (whether or not it is forwarded to and received by the Issuer). If for any reason such process agent ceases to be able or becomes unwilling for any reason to act as such or no longer has an address in London, the Issuer irrevocably agrees to appoint a substitute process agent and shall immediately notify Noteholders of such appointment in accordance with Condition 13 (Notices). Nothing shall affect the right to serve process in any manner permitted by law.

15.4 Immunity from Attachment:

The assets and properties of the Issuer cannot be subject to any attachment or other enforcement proceedings in the Republic of France.

USE OF PROCEEDS

The net proceeds of each issue of Notes will be applied by the Issuer in refinancing existing debt and financing its operations.

FORM OF NOTES

For the purposes of any Exempt Notes, any reference in this section to "applicable Final Terms" shall be deemed to include a reference to "applicable Pricing Supplement" where relevant.

The Notes of each Series will be in bearer form, with or without coupons attached and will be issued outside the United States in reliance on Regulation S under the Securities Act (**Regulation S**).

Initial Issue of Notes

Each Tranche of Notes will initially be issued in the form of a temporary global note (a **Temporary Global Note**) or, if so specified in the applicable Final Terms, a permanent global note (a **Permanent Global Note**) which, in either case, will:

- (i) if the Global Notes are intended to be issued in new global note (NGN) form, as stated in the applicable Final Terms, be delivered on or prior to the original issue date of the Tranche to a common safekeeper (the **Common Safekeeper**) for Euroclear Bank SA/NV (**Euroclear**) and Clearstream Banking, société anonyme (**Clearstream, Luxembourg**); and
- (ii) if the Global Notes are not intended to be issued in NGN Form, be delivered on or prior to the original issue date of the Tranche to a common depositary (the **Common Depositary**) for, Euroclear and Clearstream Luxembourg.

Where the Global Notes issued in respect of any Tranche are in NGN form, the applicable Final Terms will also indicate whether such Global Notes are intended to be held in a manner which would allow Eurosystem eligibility. Any indication that the Global Notes are to be so held does not necessarily mean that the Notes of the relevant Tranche will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any times during their life as such recognition depends upon satisfaction of the Eurosystem eligibility criteria. The Common Safekeeper for NGNs will either be Euroclear or Clearstream, Luxembourg or another entity approved by Euroclear and Clearstream, Luxembourg, as indicated in the applicable Final Terms.

Upon the initial deposit of a Global Note with the Common Depositary or Common Safekeeper, as the case may be, the Common Depositary or the Common Safekeeper will credit each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid.

Upon the initial deposit of a Global Note with Euroclear France (including where Euroclear France is acting as central depositary), the *intermédiaires financiers habilités* (French banks or brokers authorised to maintain securities accounts on behalf of their clients (each an **Approved Intermediary**)) who are entitled to such Notes according to the records of Euroclear France will credit each subscriber with a principal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid.

Notes that are initially deposited with the Common Depositary (or Common Safekeeper, as the case may be) may also be credited to the accounts of subscribers with Approved Intermediaries or (if indicated in the applicable Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by Euroclear France or other clearing systems. Conversely, Notes that are initially deposited with Euroclear France or any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg, or other clearing systems.

The following legend will appear on all Notes (other than Temporary Global Notes), receipts and interest coupons relating to such Notes where TEFRA D is specified in the applicable Final Terms or Pricing Supplement, as the case may be:

"ANY UNITED STATES PERSON WHO HOLDS THIS OBLIGATION WILL BE SUBJECT TO LIMITATIONS UNDER THE UNITED STATES INCOME TAX LAWS, INCLUDING THE

LIMITATIONS PROVIDED IN SECTIONS 165(j) AND 1287(a) OF THE INTERNAL REVENUE CODE."

The sections referred to provide that United States holders, with certain exceptions, will not be entitled to deduct any loss on Notes, receipts or interest coupons and will not be entitled to capital gains treatment in respect of any gain on any sale, disposition, redemption or payment of principal in respect of such Notes, receipts or interest coupons.

Relationship of Accountholders with Clearing Systems

Each of the persons shown in the records of Euroclear, Clearstream, Luxembourg, an Approved Intermediary or any other clearing system (an **Alternative Clearing System**) as the holder of a Note represented by a Global Note must look solely to Euroclear, Clearstream, Luxembourg, such Approved Intermediary or such Alternative Clearing System (as the case may be) for his share of each payment made by the Issuer to the bearer of such Global Note and in relation to all other rights arising under the Global Notes, subject to and in accordance with the respective rules and procedures of Euroclear, Clearstream, Luxembourg, Euroclear France or such Alternative Clearing System (as the case may be). Such persons shall have no claim directly against the Issuer in respect of payments due on the Notes for so long as the Notes are represented by such Global Note and such obligations of the Issuer will be discharged by payment to the bearer of such Global Note in respect of each amount so paid.

Exchange of Interests in Global Notes

1. Temporary Global Notes

Each Temporary Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date (as defined below):

- (i) if the applicable Final Terms indicates that such Global Note is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable (as to which, see "Summary of the Programme-Selling Restrictions"), in whole, but not in part, for the Definitive Notes defined and described below; and
- (ii) otherwise, in whole or in part upon certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement for interests in a Permanent Global Note or, if so provided in the applicable Final Terms, for Definitive Notes, provided that purchasers in the United States and certain U.S. persons will not be able to receive Definitive Notes in bearer form.

2. Permanent Global Notes

Each Permanent Global Note will be exchangeable, free of charge to the holder, on or after its Exchange Date in whole but not, except as provided under "Partial Exchange of Permanent Global Notes", in part for Definitive Notes:

- (i) unless principal in respect of any Notes is not paid when due, by the Issuer giving notice to the Noteholders and the Fiscal Agent of its intention to effect such exchange;
- (ii) if the applicable Final Terms provides that such Global Note is exchangeable at the request of the holder, by the holder giving notice to the Fiscal Agent of its election for such exchange; and
- (iii) otherwise, (1) if the Permanent Global Note is held on behalf of Euroclear, Clearstream, Luxembourg, Euroclear France or an Alternative Clearing System, and any such clearing system is closed for business for a continuous period of 14 days (other than by reason of holidays, statutory or otherwise) or announces an intention permanently to cease business or

in fact does so or (2) if principal in respect of any Notes is not paid when due, by the holder giving notice to the Fiscal Agent of its election for such exchange.

3. **Partial Exchange of Permanent Global Notes**

For so long as a Permanent Global Note is held on behalf of a clearing system and that clearing system so permits, such Permanent Global Note will be exchangeable in part on one or more occasions for Definitive Notes (i) if principal in respect of any Notes is not paid when due or (ii) if so provided in, and in accordance with, the Conditions (which will be set out in the applicable Final Terms) relating to Partly-paid Notes.

4. **Delivery of Notes**

On or after any due date for exchange the holder of a Global Note may surrender such Global Note or, in the case of a partial exchange, present it for endorsement to or to the order of the Fiscal Agent. In exchange for any Global Note, or the part thereof to be exchanged, the Issuer will (i) in the case of a Temporary Global Note exchangeable for a Permanent Global Note, deliver, or procure the delivery of, a Permanent Global Note in an aggregate nominal amount equal to that of the whole or that part of a Temporary Global Note that is being exchanged or, in the case of a subsequent exchange, endorse, or procure the endorsement of, a Permanent Global Note to reflect such exchange or (ii) in the case of a Global Note exchangeable for Definitive Notes, deliver, or procure the delivery of, an equal aggregate nominal amount of duly executed and authenticated Definitive Notes. In this Base Prospectus, **Definitive Notes** means, in relation to any Global Note, the definitive Notes for which such Global Note may be exchanged (if appropriate, having attached to them all Coupons and Receipts in respect of interest or Instalment Amounts that have not already been paid on the Global Note and a Talon). Definitive Notes will be security printed in accordance with any applicable legal and stock exchange requirements in or substantially in the form set out in the Schedules to the Agency Agreement. On exchange in full of each Permanent Global Note, the Issuer will, if the holder so requests, procure that it is cancelled and returned to the holder together with the relevant Definitive Notes.

5. **Exchange Date**

Exchange Date means, in relation to a Temporary Global Note, the day falling after the expiry of 40 days after its issue and, in relation to a Permanent Global Note, a day falling not less than 60 days, or in the case of failure to pay principal in respect of any Notes when due, 30 days, after that on which the notice requiring exchange is given and on which banks are open for business in the city in which the specified office of the Fiscal Agent is located and in the city in which the relevant clearing system is located.

Modification of the Conditions of the Notes while in Global Form

The Global Notes contain provisions that apply to the Notes that they represent, some of which modify the effect of the terms and conditions of the Notes set out in this Base Prospectus. The following is a summary of certain of those provisions:

1. **Payments**

No payment falling due after the Exchange Date will be made on any Global Note unless exchange for an interest in a Permanent Global Note or for Definitive Notes is improperly withheld or refused. Payments on any Temporary Global Note issued in compliance with the D Rules before the Exchange Date will only be made against presentation of certification as to non-U.S. beneficial ownership in the form set out in the Agency Agreement. All payments in respect of Notes represented by a Global Note will be made against presentation for endorsement and, if no further payment falls to be made in respect of the Notes, surrender of that Global Note to or to the order of the Fiscal Agent or such other Paying Agent as shall have been notified to the Noteholders for such

purpose. A record of each payment so made will be endorsed on each Global Note, which endorsement will be prima facie evidence that such payment has been made in respect of the Notes.

2. Prescription

Claims against the Issuer in respect of principal and interest in respect of Notes that are represented by a Global Note will become void unless it is presented for payment within a period of ten years (in the case of principal) and five years (in the case of interest) from the appropriate Relevant Date (as defined in Condition 7 (Taxation)).

3. Meetings

The holder of a Permanent Global Note shall (unless such Permanent Global Note represents only one Note) be treated as being two persons for the purposes of any quorum requirements of a meeting of Noteholders and at any such meeting, as having one vote in respect of each minimum Specified Denomination of Notes for which such Global Note may be exchanged.

4. Cancellation

Cancellation of any Note represented by a Global Note that is required by the Conditions to be cancelled (other than upon its redemption) will be effected by reduction in the nominal amount of the relevant Global Note.

5. Purchase

Notes represented by a Permanent Global Note may only be purchased by the Issuer if they are purchased together with the rights to receive all future payments of interest and Instalment Amounts (if any), thereon.

6. Events of Default

Each Global Note provides that the holder may cause such Global Note, or a portion of it, to become due and repayable in the circumstances described in Condition 9 (Events of Default) by stating in the notice to the Fiscal Agent the nominal amount of such Global Note which is becoming due and repayable. If principal in respect of any Note is not paid when due, the holder of a Global Note may elect for direct enforcement rights against the Issuer under the terms of a Deed of Covenant executed as a deed by the Issuer on 26 March 2015 (as supplemented from time to time) to come into effect in relation to the whole or a part of such Global Note, as accountholders with a clearing system.

7. Issuer's Option

Any option of the Issuer provided for in the Conditions of any Notes while such Notes are represented by a Permanent Global Note shall be exercised by the Issuer giving notice to the Noteholders within the time limits set out in and containing the information required by the Conditions, except that the notice shall not be required to contain the serial numbers of Notes drawn in the case of a partial exercise of an option and accordingly no drawing of Notes shall be required. If any option of the Issuer is exercised in respect of some but not all of the Notes of any Series, the rights of accountholders with a clearing system or an Approved Intermediary in respect of the Notes will be governed by the standard procedures of Euroclear, Clearstream, Luxembourg, Euroclear France or other relevant clearing system (as the case may be). In the case of a Permanent Global Note in NGN form, such a redemption will be reflected in the records of the ICSDs as either a nominal reduction or as a pool factor, at the discretion of the ICSDs.

For the avoidance of doubt, in the case of notices via Euroclear and Clearstream, Luxembourg, notice to the ICSDs must be given no later than 5 business days prior to the date when the option is due to take effect.

8. Noteholders' Options

Any option of the Noteholders provided for in the Conditions of any Notes while such Notes are represented by a Permanent Global Note and such Global Note is held on behalf of Euroclear and/or Clearstream, Luxembourg, may be exercised by the holder of the Global Note giving a notice of exercise in relation to the principal amount of the Notes in respect of which such option is exercised within the time limits set forth in that Condition and/or as required by the relevant clearing system and at the same time presenting or procuring the presentation of the Global Note to the Fiscal Agent for notation accordingly. Whilst all of the Notes are represented by a Permanent Global Note and such Global Note is held on behalf of Euroclear and/or Clearstream, Luxembourg, notices of exercise shall be given in accordance with the standard procedures of Euroclear and/or Clearstream, Luxembourg (which may include notice being given on the instruction of the relevant holder by the relevant clearing system or any common depository therefor to the Fiscal Agent by electronic means) in a form acceptable to the relevant clearing system from time to time.

For the avoidance of doubt in the case of notices via Euroclear and Clearstream, Luxembourg, notice to the ICSDs must be given no later than 15 business days prior to the date when the option is due to take effect.

9. Notices

Notices to the holders of Notes shall be valid if published (i) in a daily newspaper of general circulation in London (which is expected to be the *Financial Times*), and (ii) so long as the Notes are admitted to trading on, and listed on Euronext Paris S.A. and the rules of that exchange so require, in a daily newspaper with general circulation in France (which is expected to be *Les Echos*) and/or the *Autorité des marchés financiers'* website at www.amf-france.org. If any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the date of the first publication as provided above. Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Notes in accordance with Condition 13 (Notices). The Issuer shall also ensure that notices are duly published in a manner which complies with the rules and regulations of any other stock exchange (or other relevant authority) on which the Notes are for the time being listed. Any such notice will be deemed to have been given on the date of the first publication or, where required to be published in more than one newspaper, on the date of the first publication in each such newspaper.

Except in the case of Notes listed on Euronext Paris S.A., until such time as any definitive Notes are issued, there may (provided that in the case of Notes listed on any stock exchange, the rules of such stock exchange (or other relevant authority) so permit), so long as the global Note(s) is or are held in its/their entirety on behalf of Euroclear and Clearstream, Luxembourg, be substituted for such publication in such newspaper(s) the delivery of the relevant notice to Euroclear and Clearstream, Luxembourg for communication by them to the Noteholders. Any such notice shall be deemed to have been given to the holders of the Notes on the seventh business day after the day on which the said notice was given to Euroclear and Clearstream, Luxembourg.

Notices to be given by any holder of the Notes shall be in writing and given by lodging the same, together with the relative Note or Notes, with the Fiscal Agent. Whilst any of the Notes are represented by a global Note, such notice may be given by any holder of a Note to the Fiscal Agent via Euroclear and/ or Clearstream, Luxembourg, as the case may be, in such manner as the Fiscal Agent and Euroclear and/or Clearstream, Luxembourg, as the case may be, may approve for this purpose.

10. Exempt Notes which are Partly-Paid Notes

The provisions relating to Exempt Notes which are Partly-Paid Notes are not set out in this Base Prospectus, but will be contained in the applicable Final Terms and thereby in the Global Notes. While any instalments of the subscription moneys due from the holder of Exempt Notes which are Partly-Paid Notes are overdue, no interest in a Global Note representing such Notes may be exchanged for an interest in a Permanent Global Note or for Definitive Notes (as the case may be). If any Noteholder fails to pay any instalment due on any Exempt Notes which are Partly-Paid Notes within the time specified, the Issuer may forfeit such Notes and shall have no further obligation to their holder in respect of them.

11. Redenomination and Consolidation

A Global Note may be amended or replaced by the Issuer (in such manner as it considers necessary after consultation with the Redenomination Agent and/or the Consolidation Agent, as the case may be) for the purposes of taking account of the redenomination and/or consolidation of the Notes pursuant to Conditions 1.2 (Redenomination) and 11 (Further Issues and Consolidation). Any consolidation may, in such circumstances, require a change in the relevant common depositary or central depositary, as the case may be.

DESCRIPTION OF THE ISSUER

HISTORY AND DEVELOPMENT OF SNCF MOBILITÉS

History and the Reform of Rail Transport in France

On 11 and 25 June 1996, the French Government presented a reform proposal to the French Parliament. The main purpose of the reform was to implement the provisions of European Directive no.91-440 in order to clarify the respective responsibilities and accounts of companies operating railway services and those which own and are responsible for the maintenance and management of railway infrastructure in France. The reform was implemented by Law n°. 97-135 dated 13 February 1997 relating to the creation of Réseau Ferré de France (*loi portant création de Réseau Ferré de France*) which was published on 15 February 1997 in the *Journal Officiel* (renamed SNCF Réseau on 1st January 2015). The law had retroactive effect as from 1 January 1997, from which date the rail operating company has been SNCF Mobilités (hereafter the **Issuer**) and the owner and regulatory agency of the rail infrastructure has been SNCF Réseau.

The Law of 13 February 1997 and its implementing decrees established SNCF Réseau as an independent entity to own the French railway infrastructure, previously owned by the Issuer. The railway reform has therefore separated ownership of the rail infrastructure (devolved to SNCF Réseau) from its operation (devolved to the Issuer). However, the Issuer has, until the Rail Reform Law (as defined below) been responsible for managing and maintaining the infrastructure on behalf of SNCF Réseau. The services provided by the Issuer in this respect and the related fee arrangements are provided in an agreement between the Issuer and SNCF Réseau, which has been renewed on an annual basis.

The fixed assets relating to railway infrastructure existing as at 1 January 1997 were transferred to SNCF Réseau with effect from 1 January 1997. The infrastructure assets transferred were detailed in Decree no.97-445 of 5 May 1997 and principally included land and buildings, tracks, civil engineering structures and signalling, electrification and telecommunications equipment. From 1 January 1997, €20.5 billion worth of debt was transferred to SNCF Réseau's opening balance sheet from the Issuer, corresponding to the portion of debt contracted by the Issuer as at that date relating to infrastructure financing operations. Therefore, €20.5 billion of a total debt of €30.3 billion at 31 December 1996 (including on- and off-balance sheet items, after currency swaps) will be repaid by SNCF Réseau, although the Issuer remains the legal debtor in relation to its creditors. SNCF Réseau has undertaken to pay the Issuer instalment payments corresponding to its percentage of the total amount due on each relevant date, in accordance with the Issuer's loan repayment schedule.

Following the reform proposal presented on 16 October 2013 by the French Government to the French Parliament for the purpose of creating an integrated public railway group, Law no. 2014-872 of 4 August 2014 relating to the new railway system reform in France (the **Rail Reform Law**) was published on 5 August 2014 in the *Journal Officiel*. The Rail Reform Law modifies the structure of the French railway organization which will be implemented as from 1 January 2015. Several implementing decrees of the Rail Reform Law were published in the *Journal Officiel* on 11 February 2015 and will enter into force at the latest on 1 July 2015.

The main provisions of these decrees relate to (i) the purpose and missions of SNCF Mobilités, (ii) the modification of the composition and roles of the Board of Directors of SNCF Mobilités and (iii) the detailing of the financial and accounting management rules.

The new public railway group is headed by a new State-owned industrial and commercial entity (*Etablissement public à caractère industriel et commercial* – EPIC) named SNCF (the **EPIC Holding**) which has overall responsibility for the strategic control and monitoring, the economic consistency, the industrial integration, and the social unity and cohesion of the public railway group.

Furthermore, the group includes two other existing State-owned industrial and commercial entities (*Etablissements publics à caractère industriel et commercial* – EPIC): one is SNCF Réseau (the railway infrastructure owner and manager) and the other is SNCF Mobilités (the rail operator).

The EPIC Holding has the same powers over SNCF Réseau and SNCF Mobilités as a parent company has over its subsidiaries under Article L. 233-1 of the French commercial code.

Details of the assets to be transferred from the Issuer to the new EPIC Holding to enable it to carry out its tasks will be defined and finalised in a transfer agreement to be submitted for approval to the relevant authority. These transfers will impact the balance sheet of the Issuer which will result in a decrease of both the assets and the financial net debt.

The setting up of the public railway group will allow the infrastructure maintenance and the traffic management to take into account the operating constraints of the French railway services.

SNCF Réseau assumes the sole responsibility for the French railway infrastructure management, which until the implementation of the Rail Reform Law was performed by SNCF Réseau as well as the infrastructure business branch which until the implementation of the Rail Reform Law was performed by SNCF Mobilités and the railways traffic department (*direction de la circulation ferroviaire, DCF*) which includes approximately 50,000 employees and which was part of the infrastructure business branch. The outline of the elements transferred from the Issuer to SNCF Réseau to enable it to carry out the management of the railway infrastructure will be defined and finalised in a transfer agreement to be submitted for approval to the relevant authority. These transfers will impact the balance sheet of the Issuer which will result in a decrease of both the assets and the financial net debt.

SNCF Mobilités continues to assume all the operating activities of the French railway services as the “incumbent operator” (“*opérateur historique*”).

For the avoidance of doubt, the status of the Issuer and of SNCF Réseau as *établissements publics à caractère industriel et commercial* (EPIC) have not changed or were affected, the Issuer will remain in charge of its historical activities (with the exception of the railway infrastructure management and operation activities), and SNCF Réseau remains the owner of the French railway infrastructure.

The table below sets out summary information, highlighting the financial information relating to the railway infrastructure activity, extracted from the Issuer's audited consolidated income statement for the years ended 31 December 2013 and 31 December 2014:

Selected historical key financial information for the railway infrastructure (RI) (In € millions)	31 December 2013	31 December 2014
	<i>source: FR 2013</i>	<i>source: FR 2014</i>
Revenue	5,521	5,440
Gross profit	318	353
<i>Gross profit / Revenue</i>	5.76%	6.2%
Current operating profit	280	240
Operating profit after net profit of companies consolidated under the equity method	283	246
Net investments	-149	-139
Net debt		280

The debt portion issued by the Group to finance the business of the SNCF Infra division was allocated on a management basis in connection with the allocation of Group resources to its various activities. The allocation is similar to the raising of internal loans. The reclassification of the assets and liabilities of the SNCF Infra division to dedicated line items pursuant to IFRS 5, and for which the net indebtedness amounted to €280 million as at 31 December 2014 (€371 million as at 31 December 2013), did not therefore have any impact on the year-end Group net indebtedness. This amount reflects the Group's net indebtedness vis-a-vis external third parties.

Once the rail reform has come into effect and the control over SNCF Infra transferred to SNCF Réseau, the Group's net internal loans to the division will be reimbursed in cash by the acquirer immediately and/or following the conclusion of a financing agreement. The transfer will therefore increase SNCF Mobilités Group's cash flow and/or "Other loans and receivables" within non-current financial assets.

In any case, the transfer will reduce the SNCF Mobilités Group net indebtedness by the same amount as the SNCF Infra division's debt with the Group on the transfer date. In anticipation of these transfers in 2015, the Group's considers that it is more appropriate to disclose information at the present time on net indebtedness of continuing operations adjusted for the net indebtedness of the SNCF Infra division which amounted to €7,125 million as at 31 December 2014 (€7,012 million as at 31 December 2013).

- The additions to the checkpoints database which now covers all the processes featuring in the AMF reference framework implementation guide, as well as the various “control environment” components.
- Promotion of awareness among persons in charge of supplier payments within the Group on the increasing risk of fraudulent international transfers (fraud involving the “Chairman” and similar cases).

Keolis Downer expands into the bus market in Australia

- ⊙ Keolis Downer, a joint-venture between Keolis (51%) and Downer (49%), Australia's largest light rail operator, signs an agreement to acquire one of Australia's biggest bus operators, Australian Transit Enterprises (ATE)
- ⊙ Through this acquisition, Keolis Downer becomes Australia's largest privately-owned multi-modal public transport operator

Australian Transit Enterprises (ATE) is one of Australia's leading bus operators with established operations in South Australia, Western Australia and Queensland. Founded in 1974, as a family business, ATE has grown to over 1,600 employees and 930 buses. ATE operates 91 long-term regular route services and generated revenue of around AUD\$190 million (€136 million) in FY2014.

Created in 2009, Keolis Downer operates and maintains Yarra Trams, Melbourne's tram network, and G:Link, the Gold Coast light rail. Through these contracts Keolis Downer provides transport services to more than 190 million people each year. Keolis Downer has more than 2,000 staff.

Keolis has signed an agreement to acquire one of Australia's biggest bus operators, Australian Transit Enterprises (ATE).

The agreement was signed by the shareholders of ATE and Keolis Downer on 10th March 2015. The transaction is expected to be complete by early April subject to customary approvals.

This acquisition enables Keolis Downer to extend its footprint in Australia and become a multi-modal operator in Australia, a key market for Keolis Group's development.

"ATE's management team share Keolis Downer's commitment to providing safe, customer- focused journeys," comments Bernard Tabary, CEO International. "Keolis' international experience and credentials, combined with the local knowledge and experience of the ATE team provides a sustainable platform for further growth".

ATE Managing Director Jonathan Cook said "This is an exciting opportunity for one of Australia's leading public transport businesses to join with a global industry leader in order to build depth and capacity within the business and learn from world-class best practice."

Keolis Downer is committed to the Australian and New Zealand transport sector including light rail, bus and heavy rail. Keolis Downer continues to consider new projects as well as acquisition opportunities.

Australian Transit Enterprises

ATE consists of four business divisions:

- **Path Transit** providing route and school bus services in the north eastern and eastern suburbs of Perth as well as other regional areas of Western Australia.

- **Southlink** providing route and school bus services in metropolitan Adelaide.
- **LinkSA** providing route, school, special bus and dial-a-ride services in regional South Australia (within 100km of Adelaide).
- **Hornibrook** providing route and school bus services in the northern suburbs of Brisbane.

TAXATION

The statements herein regarding taxation are based on the laws in force of the European Union and in the Republic of France as of the date of this Base Prospectus and are subject to any changes in law. The following summary does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Notes. Each prospective holder or beneficial owner of Notes should consult its tax advisor as to the tax consequences of any investment in or ownership and disposition of the Notes under the laws of the Republic of France and/or any other jurisdiction.

EU Savings Directive

Under Council Directive 2003/48/EC on the taxation of savings income, Member States are required to provide to the tax authorities of other Member States details of certain payments of interest or similar income paid or secured by a person established in a Member State to or for the benefit of an individual resident in another Member State or to certain limited types of entities established in another Member State.

On 24 March 2014, the Council of the European Union adopted Council Directive 2014/48/EU amending and broadening the scope of the requirements described above. Member States are required to adopt and publish by 1 January 2016, laws and regulations necessary to comply with this Directive and to apply these new requirements from 1 January 2017. The changes will expand the range of payments covered by the Directive, in particular to include additional types of income payable on securities. The Directive will also expand the circumstances in which payments that indirectly benefit an individual resident in a Member State must be reported. This approach will apply to payments made to, or secured for, persons, entities or legal arrangements (including trusts) where certain conditions are satisfied, and may in some cases apply where the person, entity or arrangement is established or effectively managed outside of the European Union.

For a transitional period, Austria is required (unless during that period it elects otherwise) to operate a withholding system in relation to such payments. The changes referred to above will broaden the types of payments subject to withholding in those Member States which operate a withholding system when they are implemented.

The end of the transitional period is dependent upon the conclusion of certain other agreements relating to information exchange with certain other countries. A number of non-EU countries and territories including Switzerland have adopted similar measures (a withholding system in the case of Switzerland).

France

French withholding tax

The following summary is limited to certain tax considerations in France that may be relevant to holders of the Notes who (i) do not concurrently hold shares in or (ii) are not otherwise affiliated within the meaning of Article 39-12 of the French *Code général des impôts* with the Issuer.

Notes issued from 1 March 2010 which are not assimilated (assimilées for the purpose of French law) with Notes issued before 1 March 2010

Payments of interest and other revenues made by the Issuer with respect to Notes issued from 1 March 2010 are not subject to the withholding tax set out under Article 125 A III of the French *Code général des impôts* (French General Tax Code) unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French *Code général des impôts* (a **Non-Cooperative State**). If such payments under the Notes are made in a Non-Cooperative State, a 75 per cent. withholding tax is applicable by virtue of Article 125 A III of the French *Code général des impôts*, subject to certain exceptions and to the more favourable provisions of an applicable double tax treaty.

Furthermore, according to Article 238 A of the French *Code général des impôts*, interest and other revenues on such Notes are not deductible from the Issuer's taxable income, if they are paid or accrued to persons domiciled or established in a Non-Cooperative State or paid in such a Non-Cooperative State (the **Deductibility Exclusion**). Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Articles 109 *et seq.* of the French *Code général des impôts*, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 *bis* of the French *Code général des impôts*, at a rate of 30 per cent. or 75 per cent., subject to the more favourable provisions of an applicable double tax treaty.

Notwithstanding the foregoing, the law provides that neither the 75 per cent. withholding tax set out under Article 125 A III of the French *Code général des impôts* nor the Deductibility Exclusion nor the withholding tax set out under Article 119 *bis* 2 of the French *Code général des impôts* that may be levied as a result of such Deductibility Exclusion will apply in respect of an issue of Notes if the Issuer can prove that the principal purpose and effect of such issue of Notes was not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the **Exception**). Pursuant to the *Bulletin Officiel des Finances Publiques-Impôts* BOI-INT-DG-20-50-20140211, BOI-RPPM-RCM-30-10-20-40-20140211, BOI-IR-DOMIC-10-20-20-60-20140211 and BOI-ANNX-000364-20120912, an issue of Notes will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Notes, if such Notes are:

- (i) offered by means of a non-exempt offer within the meaning of Article L.411-1 of the French *Code monétaire et financier* or pursuant to an equivalent offer in a State other than a Non-Cooperative State. For this purpose, an "equivalent offer" means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or
- (ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or
- (iii) admitted, at the time of their issue, to the clearing operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of Article L.561-2 of the French *Code monétaire et financier*, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State.

Notes issued from 1 March 2010 which are assimilated (assimilées for the purpose of French law) with Notes issued before 1 March 2010

Interest and other revenues on Notes issued from 1 March 2010 and which are to be assimilated (*assimilées* for the purpose of French law) and form a single series with Notes issued before 1 March 2010 having the benefit of Article 131 *quater* of the French *Code général des impôts* will continue to be exempt from the withholding tax set out under Article 125 A III of the French *Code général des impôts*.

Notes issued before 1 March 2010, whether denominated in Euro or in any other currency, and constituting *obligations* under French law, or *titres de créances négociables* within the meaning of the *Bulletin Officiel des Finances Publiques-Impôts* BOI-RPPM-RCM-30-10-30-30-20140211, or other debt securities issued under French or foreign law and considered by the French tax authorities as falling into similar categories, are deemed to be issued outside the Republic of France for the purpose of Article 131 *quater* of the French *Code général des impôts*, in accordance with the aforementioned *Bulletin Officiel des Finances Publiques-Impôts*.

In addition, interest and other revenues on Notes issued from 1 March 2010 and which are to be assimilated (*assimilées* for the purpose of French law) and form a single series with Notes issued before 1 March 2010 are not subject to the withholding tax set out in Article 119 *bis* of the French *Code général des impôts* solely

on account of their being paid in a Non-Cooperative State or accrued or paid to persons established or domiciled in a Non-Cooperative State.

Payments made to individuals fiscally domiciled (domiciliés fiscalement) in France

Pursuant to Article 125 A subject to certain limited exceptions, interest received by individuals who are fiscally domiciled (*domiciliés fiscalement*) in France is subject to a 24% withholding tax, which is deductible from their personal income tax liability in respect of the year in which the payment has been made. Social contributions (CSG, CRDS and other related contributions) are also levied by way of withholding tax at an aggregate rate of 15.5% on interest paid to individuals who are fiscally domiciled (*domiciliés fiscalement*) in France.

EU Savings Directive

The EC Council Directive 2003/48/EC, as amended, on the taxation of savings income was implemented into French law under Article 242 *ter* of the French *Code général des impôts* and Articles 49 I-ter to 49 I-sexies of Schedule III to the French *Code général des impôts*, which imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest payments.

SUBSCRIPTION AND SALE

Subject to the terms and on the conditions contained in a Dealer Agreement (such Dealer Agreement as modified and/or supplemented and/or restated from time to time, the **Dealer Agreement**) dated 26 March 2015 (the **Dealer Agreement**), between the Issuer, the Permanent Dealers and the Arrangers, the Notes will be offered by the Issuer to the Permanent Dealers. However, the Issuer has reserved the right to issue Notes directly on its own behalf to Dealers that are not Permanent Dealers and who agree to be bound by the restrictions below. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by the Issuer through the Dealers, acting as agents of the Issuer. The Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The Issuer will pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by it. The Issuer has agreed to reimburse the Arranger for certain of its expenses incurred in connection with the update of the Programme. The commissions in respect of an issue of Notes on a syndicated basis will be stated in the relevant subscription agreement.

The Issuer has agreed to indemnify the Dealers and the Arrangers against certain liabilities in connection with the offer and sale of the Notes. The Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the Issuer.

United States

The Notes have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons, except to certain persons in offshore transactions in reliance on Regulation S under the Securities Act. In addition, until the expiration of 40 days after the commencement of the Offering, an offer or sales of the Notes within the United States by any dealer (whether or not participating in the Offering) may violate the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

The Notes are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. Treasury regulations. Terms used in this paragraph have the meanings given to them by the U.S. Internal Revenue Code of 1986 and Treasury regulations promulgated thereunder. The applicable Final Terms or Pricing Supplement, in the case of Exempt Notes, will identify whether TEFRA C rules or TEFRA D rules apply or whether TEFRA is not applicable.

Each Dealer has agreed that neither it nor its affiliates, nor any person acting on its or their behalf and each further Dealer appointed under the Programme will be required to agree that, except as permitted by the Dealer Agreement, it will not offer, sell or deliver Notes (i) as part of their distribution at any time and (ii) otherwise until 40 days after completion of the distribution of an identifiable Tranche of which such Notes are a part as determined, and certified to the Issuer and the relevant Dealer by the Fiscal Agent or, in the case of Notes issued on a syndicated basis, by the Lead Manager, within the United States or to, or for the account or benefit of, U.S. persons, and it will have sent to each Dealer to which it sells Notes during the distribution compliance period a confirmation or other notice setting out the restrictions on offers and sales of the Notes within the United States or to, or for the account or benefit of, U.S. persons. Terms used in the preceding sentence have the meanings given to them by Regulation S.

In addition, until 40 days after the commencement of the offering of any identifiable tranche of Notes, an offer or sale of such Notes within the United States by any Dealer (whether or not participating in the offering of the Notes) may violate the registration requirements of the Securities Act.

Each issuance of Exempt Notes which are also index-, commodity- or currency-linked Notes may be subject to such additional U.S. selling restrictions as the relevant Dealer(s) may agree with the Issuer as a term of the issuance and purchase or, as the case may be, subscription of such Notes. Each Dealer agrees that it shall offer, sell and deliver such Notes only in compliance with such additional U.S. selling restrictions.

Non-exempt Offer Selling Restriction under the Prospectus Directive

- (b) at any time to any legal entity which is a qualified investor as defined under the Prospectus Directive;
- (c) at any time no fewer than 150 natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or

provided that no such offer of Notes referred to in (b) to (c) above shall require the Issuer or any Dealer to publish a prospectus pursuant to Article 3 of the Prospectus Directive or supplement a prospectus pursuant to Article 16 of the Prospectus Directive.

For the purposes of this provision:

- the expression an "offer of Notes to the public" in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State; and

The Statutory Auditors' Report on the historical financial information presented on pages 128 and 129 of the Financial Report 2013 contains a reservation on the Freight assets valuation method and observations.

The Statutory Auditors' Report on the historical financial information presented on pages 124 and 125 of the Financial Report 2014 contains the following emphasis of matters: *“Without qualifying our opinion, we draw your attention to Note 8 “Impairment losses” to the consolidated financial statements which mainly describes changes in estimates of the recoverable amount of production resources of the Rail Freight Fleet Management CGU, which now comply with the provisions of IFRS. The recoverable amount of these production resources was the subject of a qualification in Statutory Auditors’ reports on the consolidated financial statements for previous years.”*

The statutory auditors’ report on the consolidated financial statements for the year ended 31 December 2014 contains the following qualification: *“As stated in Note 32 “Subsequent events” to the consolidated financial statements, the French Rail Regulatory Authority (Autorité de Régulation des Activités Ferroviaires – ARAF) handed down its decision on 3 February 2015 with respect to a dispute between the Syndicat des Transports de l’Ile de France and the Gares & Connexions division of SNCF Mobilités. For the reasons outlined in the notes to the consolidated financial statements, SNCF Mobilités was unable to carry out an impairment test as at 31 December 2014, as required by IAS 36. As a result, we are unable to comment on the value of the division’s property, plant and equipment and intangible assets which amounted to €1.8 billion in the financial statements as at 31 December 2014.”*
